   Donna Ayo of the Unity Arts Club mentions that she has the privilege of being able to go to the Congressional Black Caucus last week. She would like to thank the ASBCC, Trustee Linda Handy and all who were responsible for helping her in being able to go. She said it was an exciting experience and that for 5 days, she was able to see a lot of the way Congress and the US Government works. She plans to return to the council with a full report. Many pictures were taken by her and Gerald Butler, so there will be a slideshow as well.

   Erika Gagnon of the Digital Artists’ Collective, formerly known at the Digital Arts Club, just would like to present herself to the ICC. She has been a member of the Digital Artist Collective for some time and the club had formerly been acting independently of the ICC, but they would now like to join in since someone can come in to the meetings.

VI. Reports
   Item 1: Clarification of ICC Protocol and Budget
      Led by Justin Terry
      ICC President Terry starts off by saying that the structures in place are looking to be changed very shortly, but all changes would be implemented gradually over time. He says the ASBCC has been following its rules and regulations much more closely and that in order to expedite the process of ICC funding, he then presents a draft of the ICC
Calendar which shows all the tentative deadlines for the academic term. While all tentative and subject to approval, he reminds the council that implementation would be advertised well before it went into effect. He also explains that as it stands, there will still be presentations in the AS for all funding, and that the matching grants are going to be implemented in the near future.

VII. Discussion/Action Items

Discussion Item 1: ICC Officership
Authored by Justin Terry
ICC President Terry states that the positions of VP, Treasurer, Secretary, Communications Officer and 2 ICC Representative positions are available. He would like people to start considering these positions and he notes that since the ICC Rep. position votes at ASBCC meetings, the eligibility is the same as senator and a resume/interview process will be taking place to keep with uniformity of all other appointment.

Discussion Item 2: Guest Speaker for the Global Studies Club
Authored by Justin Terry
ICC President Terry notes that the soon-to-be-chartered Global Studies Club is looking to arrange for Malalai Joya to speak in the auditorium and they would be looking for a $150 honorarium, so this is something to take into consideration when thinking of financial proposals.

Discussion Item 3: Civic Engagement Blood Drive Plans
Authored by Justin Terry
President Terry states the Civic Engagement Club will returning to host their annual fall blood drive in the ASBCC office/conference room for October 15th and 16th.

Action Item 1: A Motion to Approve Funds for Fall Events

Moving into discussion.
The GSA presents that they would like to hold their Drag King/Queen Event in the Atrium on October 18th at 7. They will need a total of $337 to complete the event, but they will be using $100 from the seed money and $100 from supply money. They also point out that they will using this event, as well as all others this fall, as fundraiser to raise money for their spring event. They were also wondering if this were an appropriate time to amend the proposal to include their matching grant for their t-shirt fundraiser.

Chief Justice Hassan Moore would like a clarification from the treasurer.
LAC moves for a 5 minute recess to contact the treasurer.
GSA seconds.
No discussion on the recess.
Voting happens 3-0-0
