VII. DISCUSSION ITEMS

(5:00 min)

A. Nov. 27 2013 AS holiday event in the atrium-Sevan Taimoorian

Sevan Taimoorian: Holiday event Nov 27th

Thays Da Costa: Can you walk me through the event?

Sevan Taimoorian: There will be a quick meeting Nov 27th to discuss how the event will unfold throughout the day. Open mic will be set up, different tables will be set up for people to eat. Wants the vision to be for raising funds for children who are less unfortunate. Wondering if he can get the student ambassadors involved.

Lanfu Zhang: Student ambassadors are proposing a part of the event to be with music and dancing.

Thinks student ambassadors should speak with people who have questions. Student ambassadors are meeting after this AS event to hash out the details of the AS holiday event and will take place after the AS executive meeting.

Valentino Calderon: Clarifies that the student ambassadors are just brainstorming, rather than officially meeting to discuss details. This is our event so we need to make sure it all runs well. It is also a good time to network and make ourselves available in the student body.

Nate Heller: What kind of outreach will be done? Will we notify students Monday and Tuesday?

Lanfu Zhang: I have spoken to the ambassadors and they are informing students when they table and I believe Mostafa also had flyers prepared to distribute. Flyers will be posted once Mostafa prints them out.

Valentino: I suggest we bombard the bulletin boards with flyers so students can see them.

Lanfu: We should do the same thing with the BCC service community at CAL to post an announcement on their boards.

Valentino: To wrap this up I suggest everyone who is available meet after this meeting to further discuss details for our AS events.

B. Next time and date of AS meeting-Valentino Calderon

Post the agenda on Monday so we have a meeting Thursday and Friday for next week.

Nate: I will be here but I don't think a lot of us will be.

Sevan: Can we have a meeting on Tuesday at 6?

Valentino: If that were the case we would need to post the agenda now, so we can't.
Tim: Our only option is to wait and see when we can plan our next meeting. We should discuss it through an email thread and go from there.
