V. PUBLIC FORUM (3:00 min)

---

This is an opportunity for members of the public to address the ASBCC on items not already on the agenda. Please be aware that there is a 3-minute time limit for each item and that NO action may be taken on any of these items. These items may however come back to the Senate for action at the discretion of the Senate.

**Michael:** Here to speak about issue about the Constitution in the ICC, ran in a controversy and rudrani reassures me action will happen. But it is the responsibility of this council to determine whether or not that is the intention of the council. So you need to take responsibility to make it clear what your recognition is, and i hope you to take this up in the future and take it up in the bylaws.

**Paula:** As the coordinator, every year we an annual transfer day event, this year I'm coming to the Asbcc to request financial support for refreshments for the representative and also permission to host in the Asbcc office. We have a local vender we are asking for 400 dollars , do not think it will go up to 400 dollars but its a preamiter.

**Ethel:** Women Economic Agenda Project and what I would to requesting that asbcc corresponds with the women's economic agenda project. Some of your colleagues already endorsed as well colleges in peralta are demonstrating activities within this organization. For instance Laney hosting a kick off. More importantly yall need to be involved due to great impact. What we need from you is dough(money) 1500 dollars what some campuses have done is funded half of the money and gave in the rest through resources.

VI. ADVISOR'S REPORT

---

Mostafa Ghous

I briefly met with Amel and Noelle to clarify roles and responsibility. Make sure if you have an action or discussion item make sure of the process so you can be on time for the 72 hours, as well as make sure not make too much amendments but every now and then thats ok. The Seesaw is in LA and has been in contact and is interested that we all go, i is inexpensive, its in about a month and requires planning now. Its sad to hear CBC was canceled, due to no chaperones from the district. Hopefully Next year we can come together to ordinate it better.
