**Treasurer's Report – Michael Hartman (3:00 min)**

**Michael: The ICC Budget Committee has only received three club budgets to date. We understand and are sympathetic to clubs having difficulty with this process. We would advise Club Treasurer's to utilize the long forms on the ICC Google share page for a thorough accounting of club funds, for club reports, and for appending to Club minutes. However, for the purposes of the current evaluation we simple need a list of events with the dates of those events and anticipated expenses for those events. Kassandra Camacho, the ICC Vice President, is currently creating a template for the clubs to use for this in consultation with Jose. At this time we ask that all of the clubs rededicate themselves to the budget process and provide us with Budget projections for the year sometime in the next two weeks.**
