

# AND THEN THEY CAME FOR US

A FILM BY ABBY GINZBERG AND KEN SCHNEIDER

The film "And Then They Came for Us" brings history into the present, retelling the difficult story of the forced incarceration of 120,000 Japanese Americans during World War II, and follows Japanese American activists as they speak out against the Muslim registry and travel ban. "And Then They Came for Us" is a cautionary & inspiring tale for these challenging times when basic rights are being threatened.
