Dear BCC Community,

I am pleased to announce that Dr. Phoumy Sayavong has transitioned into a new role here at Berkeley City College. He has been hired as our new Research and Systems Technology Analyst, supporting our Student Success and Student Equity efforts. Dr. Sayavong has a B.A., M.A., and Ph.D. in Psychology from the University of California, Santa Cruz. He has nearly *20 years of educational research and evaluation experience* in community college, four-year universities, and K-12. He has conducted both quantitative and qualitative evaluation of programs, policies, and practices that inform a variety of academic programs.

He will be starting his new position September 27, 2017 and will temporarily be located on the fourth floor. Please join me in welcoming and congratulating him on his new role.

Warm regards,

Rowena

Rowena M. Tomaneng, Ed.D.

“We urgently need to bring to our communities the limitless capacity to love, serve, and create for and with each other. We urgently need to bring the neighbor back into our hoods, not only in our inner cities but also in our suburbs...” Grace Lee Boggs

Mission

Berkeley City College's mission is to promote student success, to provide our diverse community with educational opportunities, and to transform lives. The college achieves its mission through instruction, student support and learning resources which enable its enrolled students to earn associate degrees and certificates, and to attain college competency, careers, transfer, and skills for lifelong success.

Vision

Berkeley City College is a premier, diverse, student-centered learning community, dedicated to academic excellence, collaboration, innovation and transformation.
