Participatory Governance

Student, Staff and Faculty Participation

**Title 5 70902(b)(7)**
The governing board of each community college district shall establish procedures not inconsistent with minimum standards established by the board of governors to ensure faculty, staff, and students the opportunity to express their opinions at the campus level, to ensure that these opinions are given every reasonable consideration, to ensure the right to participate effectively in district and college governance, and to ensure the right of academic senates to assume primary responsibility for making recommendations in the areas of curriculum and academic standards.

The concept of "governance" was not invented with the enactment of Title 5. It is as old as human civilization. Simply put "governance" means: the process of decision-making and the process by which decisions are implemented (or not implemented).

**Title 5 §51023.7**
. . . requires the governing board to “adopt policies and procedures that provide students the opportunity to participate effectively in district and college governance.” Students are to participate in “formulation and development” of policies and procedures that have a “significant effect” on them. The regulation lists ten areas of such significant effect, most of which are quite similar to the senate’s academic and professional matters. Boards are not to act unless students have had the opportunity to participate, with the exception of “unforeseeable, emergency situations” and shall give positions of the students “reasonable consideration.” The regulation states the intent that boards are to respect the agreements with senates and unions while working with students.

**Title 5 §51023.5**
. . . requires the governing board to “adopt policies and procedures that provide district and college staff the opportunity to participate effectively in district and college governance,” However, areas that affect staff are not defined in the regulation but remain matters “that the governing board reasonably determines, in consultation with staff, have or will have a significant effect on staff.”

The role of the exclusive bargaining agents is explicitly protected in Title 5 and is cited in the Educational Employment Relations Act. (See Government Code §3543.2.) The public is granted access to the governing board through the open meeting provisions of the Brown Act. (See Government Code §54950-54962.)
Academic Senate Involvement

Title 5 70902(b)(7)
The governing board of each community college district shall establish procedures not inconsistent with minimum standards established by the board of governors to ensure faculty, staff, and students the opportunity to express their opinions at the campus level, to ensure that these opinions are given every reasonable consideration, to ensure the right to participate effectively in district and college governance, and to ensure the right of academic senates to assume primary responsibility for making recommendations in the areas of curriculum and academic standards.

Cal. Admin. Code Title 5, § 53200
“Academic senate,” “faculty council,” and “faculty senate” means an organization formed in accordance with the provisions of this Subchapter whose primary function, as the representative of the faculty, is to make recommendations to the administration of a college and to the governing board of a district with respect to academic and professional matters. For purposes of this Subchapter, reference to the term “academic senate” also constitutes reference to “faculty council” or “faculty senate.”
BOARD POLICY 2510 PARTICIPATION IN LOCAL DECISION MAKING

The Board is the ultimate decision-maker in those areas assigned to it by state and federal laws and regulations. In executing that responsibility, the Board is committed to its obligation to ensure that appropriate members of the District participate in developing recommended policies for Board action and administrative procedures for Chancellor action under which the District is governed and administered.

Each of the following shall participate as required by law in the decision-making processes of the District:

**Academic Senate(s)** (Title 5 Sections 53200-53206)
The Board or its designees will consult collegially with the Academic Senate, by relying primarily upon the advice and recommendations of the senate*, as duly constituted with respect to academic and professional matters, as defined by law. Procedures to implement this section are developed collegially with the Academic Senate.

**Staff** (Title 5 Section 51023.5)
Staff shall be provided with opportunities to participate in the formulation and development of District policies and procedures that have a significant effect on staff as defined by law. The opinions and recommendations of the staff will be given every reasonable consideration.

**Students** (Title 5 Section 51023.7)
The Associated Students shall be given an opportunity to participate effectively in the formulation and development of district policies and procedures that have a significant effect on students, as defined by law. The recommendations and positions of the Associated Students will be given every reasonable consideration. The selection of student representatives to serve on District committees or task forces shall be made after consultation with the Associated Students.

Except for unforeseeable emergency situations, the Board shall not take any action on matters subject to this policy until the appropriate constituent group or groups have been provided the opportunity to participate. Participation in decision making will not necessarily be limited to the named groups above.

Nothing in this policy will be construed to interfere with the formation or administration of employee organizations or with the exercise of rights guaranteed under the Educational Employment Relations Act, Government Code Sections 3540 et seq.

Approved the Board of Trustees: January 22, 2013
Revised by the Board of Trustees: February 25, 2014
The Governing Board of the Peralta Community College District affirms the recognition of the District Academic Senate (DAS) and the Academic Senates of Berkeley City College, the College of Alameda, Laney College, and Merritt College (College Academic Senates) under Title 5 of the California Administrative Code and as provided for in law (specifically AB 1725).

The District Academic Senate, representing the four College Academic Senates, is recognized to make recommendations to the District Chancellor, and to the Board of Trustees with respect to “academic and professional matters.”

Each College Academic Senate shall be recognized to make recommendations with respect to “academic and professional matters” to their respective College President and the Management Team; and may consult collegially with the Board of Trustees about College matters. The administrative leadership of each college shall consult collegially on these and any other procedures established to carry out this policy.

The definition of “academic and professional matters” as stated in Title 5 regulations means the following policy development and implementation matters:

1. Curriculum, including establishing prerequisites and placing courses within disciplines
2. Degree and certificate requirements
3. Grading policies
4. Educational program development
5. Standards or policies regarding student preparation and success
6. District and college governance structures, as related to faculty roles
7. Faculty roles and involvement in accreditation processes, including self-study and annual reports

The DAS may assume additional responsibilities and perform such functions as may be delegated to them in writing by the Board or designee pursuant to Title 5. Additional academic and professional matters may be added through formal resolution of the Board.

The Board, Chancellor, and College Presidents and their Management Teams shall “consult collegially” and “rely primarily” on the DAS and the College Academic Senates in the above cited “academic and professional matters” areas. The requirement to consult collegially shall not limit other rights and responsibilities of the DAS and the College Academic Senates which are specifically provided for in statute, regulations, or other Board policies.
The Board shall receive and consider advice from the DAS on the above cited "academic and professional matters" and the Board shall accept the DAS recommendation unless there are exceptional circumstances or compelling reasons not to. Should the Board not accept a DAS recommendation, the Board shall communicate promptly the reasons in writing (which may include Board minutes).

The DAS and/or College Academic Senates shall present a report to the Board at least at its first regularly scheduled monthly Board meeting and shall be extended an opportunity to meet with or appear before the Board with respect to their respective views, recommendations, and proposals.

As directed by the Board, the DAS President shall serve an active role and represent the DAS at all Board meetings and throughout the District’s service areas as necessary.

Further, per California Education Code, the governing board will “consult collegially” by “relying primarily on the advice and judgment” of the District Academic Senate in the following areas:

- Procedures for the waiver of minimum qualifications/ equivalency [§70902 (b) (7)];
- Hiring criteria, policies, and procedures for hiring new faculty [§87360 (b)]; and
- Process and procedures for administrative retreat rights [§87458 (a)].

The Peralta Federation of Teachers, prior to engaging in collective bargaining, will consult with the District Academic Senate in the following areas:

- Tenure evaluation procedures [§87610.1 (a)];
- Faculty evaluation procedures [§87663 (f)]; and
- Faculty service areas [§87743.2].

Nothing in this policy shall be construed to neither impinge upon the due process rights of faculty, the negotiation rights of the faculty collective bargaining representative (the Peralta Federation of Teachers), nor detract from any negotiated agreements between the collective bargaining representative, and the Board.

In alignment with the preceding paragraph, please refer to Board Policy 2510 which addresses participation in local decision-making (shared governance) for faculty, staff, and students.
