

How do Social Movements shape the future?

Study social movements through films & mass media.

Topics Covered: How and why do successful social movements emerge? What historical and political conditions produced each movement? What are the individual strengths, weaknesses, and strategies of each movement, and what causes movements to decline?

Class: Comparative Social Movements since the 60s (Sociology 6)

Spring 2018 M/W 11 am, BCC 424 Swiencicki

Syllabus available @ <http://www.berkeleycitycollege.edu/wp/mswiencicki/>
