

BCC Accreditation Day Desirable Outcomes

By the end of the morning, we will:

1. Know where BCC ISER development is at and what the next steps are
2. Have a good sense as to what is in BCC ISER (what the standards are) and what our stories are
3. Have a clear idea regarding what we do well and what we need to improve
4. Know how we can contribute to the areas of improvement so as to address them before the Team Visit
5. Feel proud of our work!
