# AMERICAN SIGN LANGUAGE PROGRAMS

Berkeley City College's ASL Program enables students to acquire the communicative competence in ASL and the cultural sensitivity needed to interact successfully with members of the American Deaf community. American Sign Language (ASL) is the fourth most used language in the United States. It is the major language that the American Deaf population uses.

Students who will benefit from this program include the following: those who wish to expand their language skills and cultural knowledge to enhance other majors (e.g., interpreting, education, social work, and psychology); those who need to fulfill a university foreign language requirement; parents of deaf children; and deafened adults. Students will develop skills which will also make them more marketable to potential employers who encounter the Deaf.

# ANTHROPOLOGY

## Anthropology

### Associate in Arts for Transfer Degree (AA-T)

The Associate in Arts in Anthropology for Transfer Degree is designed for students who plan to transfer to a four-year institution as anthropology majors. In this program, the students gain exposure to the four subfields of anthropology (biological, archaeological, cultural, and linguistic anthropology).

Students who successfully complete the AA-T in Anthropology earn specific guarantees for transfer to the CSU system: admission to a CSU with junior status and priority admission to a CSU campus and to a program or major in anthropology or a similar major. Students transferring to a CSU campus will be required to complete no more than 60 units after transfer to earn a bachelor's degree.

Students are required to complete 60 semester units that are eligible for transfer to a California State University, including both of the following: (1) The Inter-segmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements and (2) 18–20 semester units with a grade of C or P or better in the major and an overall minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework. For a more detailed description of Associate Degrees for Transfer, see "Associate Degrees for Transfer (ADT) to a California State University" on page 29.

Students are advised to consult with a Berkeley City College Counselor and/or the Social Sciences Department Chair for additional information and to verify transfer requirements.
