SUMMER INSTITUTE 2022

- Are you interested in working with children and families?
- Would you like some on-the-job training this summer while earning college credit?

Enroll in the Summer Institute at BCC

Teacher Prep Program

1-4 units, transferable California State Universities

Coordinator: Joya Chavarin, E. Ed.

The BCC Teacher Preparation Program will give you the opportunity to earn early college credit and get on-the-job training while exploring possible careers such as an early childhood educator, elementary school teacher, child and family advocate, or child psychologist.
