ENGL 001A

ENGL 1A was very recently approved for an update. Since that time, the new ESOL courses have been approved by the state. District-wide ESOL 052 needs to be added to the list of pre-requisites for ENGL 1A. In addition, there is discussion about removing a very old pre-requisite ESL 021B. The committee gives approval for updates to ENGL 1A pre-requisites when determined district-wide what these will be.
