Liberal Arts: Social and Behavioral Sciences

Associate in Arts Degree

The Associate in Art degree (AA) in Liberal Arts: Social and Behavioral Sciences provides students with a broad perspective on human behavior. It is designed to stimulate appreciation for, and understanding of values, ideas, and artifacts of culture and society. Critical thinking skills and self-understanding through these courses provide a framework for lifelong study in liberal arts. Successful completion of the curriculum in Social and Behavioral Sciences offers students a breadth of knowledge that could be focused into single discipline degrees as well as applied to an interdisciplinary degree. The Degree is intended for students who are considering transfer but have not decided on a major or for students who are required to complete a degree for job promotion. In all cases, students should consult with a counselor to develop a program of study.

Students should complete 18 units from a minimum of two disciplines from the following list of courses:

General Education and Electives	42
Total Units	60

Students must receive a minimum grade of "C" or better in all required core courses and electives in order to qualify for the degree. As this degree alone may not be complete preparation for transfer, students wishing to continue at the UC or CSU system should meet with a Counselor to develop a transfer plan which addresses all general education and lower-division transfer requirements.

Program Learning Outcomes

Students who complete the program will be able to:

- Use discipline-appropriate approaches to critically analyze social problems or processes.
- Analyze the consequences of social actions or forces and their impact upon social structure or the individual.
- Evaluate the foundations of diversity within the human experience.

Liberal Arts: Inter-segmental General Education Transfer (IGETC)

Certificate of Achievement

Students who plan to transfer to the California State University system (CSU) or the University of California system (UC) are encouraged to pursue a Certificate of Achievement in Liberal Arts. Students are advised to consult with a Counselor to develop your own program of study.

UC or CSU Transfer

Students are encouraged to pursue this certificate if they want to apply to transfer to either the University of California system or the California State University system and want to fulfill lower-division general education requirements by completing the Inter-segmental General Education Transfer Curriculum (IGETC). They will select courses that fulfill the IGETC requirements (with a grade of "C" or better in each course), to total 37 transferable semester units (with an overall GPA of 2.0). Upon completion of these requirements they will file both a "Petition for a Certificate of Achievement" and a "Request for General Education or IGETC Certification" with the Admissions and Records Office.

Total Minimum Required Units: 37

Complete the following requirements:

- Students must complete all courses with grades of "C" or better.
- Students must request IGETC certification from the Office of Admissions and Records, prior to transfer.
- IGETC is not advisable for all transfer students, especially if you are pursuing a major requiring extensive lower-division

IGETC - The Intersegmental General Education Transfer Curriculum

(Information Subject to Change)

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that community college students can use to satisfy lower-division general education requirements at any campus of the University of California (UC) or California State University (CSU). The IGETC will permit a student to transfer from Saddleback College to a campus in either of these university systems without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements.

Completion of the IGETC is not a requirement for admission to a CSU or UC campus, nor is it the only way to fulfill the lower-division general education requirements of CSU or UC prior to transfer. The IGETC is most advantageous for transfers who have not yet decided on a major or a campus. Once a student has identified a major, it is important to work toward fulfilling any required preparatory courses—particularly in those professional or “high unit” majors that select applicants on the basis of satisfaction of lower-division major requirements. It is important to note that this does not preclude a student from following IGETC. However, IGETC should not be done to the exclusion of completing any preparatory courses needed for admission to the major.

It is not advisable for transfers to engineering and science majors at any UC campus to use IGETC. Students entering “high unit” majors, such as those in the sciences, must be careful to complete any needed lower-division major preparation. For example, majors in the sciences not only have specific science prerequisites, but also substantial mathematics requirements. Some majors specifically prohibit the use of IGETC.

All courses for IGETC must be completed with a grade of “C” or better. Grades of C- will not apply in any category.

REQUIRED PREPARATION FOR THIS MAJOR:

The Intersegmental General Education Transfer Curriculum (IGETC) is a pattern of courses that California community college students can follow to satisfy lower-division general education requirements to any California State University (CSU) or University of California (UC) campus. IGETC is not advisable for all transfer students. Students should meet with a counselor to determine the appropriate general education option for their transfer goal. This is an unofficial document and is subject to change each year. Users should always refer to www.assist.org for the most updated official information.

IGETC CERTIFICATION: Students are strongly encouraged to request an IGETC certification when sending their final transcripts to the UC or CSU transfer school of their choosing. To request certification of GE completion, students must complete an "IGETC Certification" form and file it with the Admissions and Records Office. A certification of GE completed along with the final transcripts from CCC will be sent to the UC or CSU transfer institution. This service may be requested one time only.

STUDENTS MUST EARN A 'C' OR BETTER GRADE IN EACH COURSE TO SATISFY REQUIREMENTS FOR EACH AREA.

CERTIFICATE OF ACHIEVEMENT

2019-2020

IGETC

The Certificate of Achievement in Intersegmental General Education Transfer Curriculum (IGETC) is a program that provides students with the option of fulfilling all lower division general education requirements for transferring to the California State University (CSU) and University of California (UC) systems.

Students who intend to transfer must meet all current IGETC lower division general education transfer requirements including minimum GPA to achieve the Certificate of Achievement. Students may also request certification of the general education upon completion of this Certificate of Achievement. The Certificate of Achievement will appear on student's transcripts, but the certification is a separate request that must be filled out by a counselor and is the student's responsibility to submit to their transfer institution. Students are firmly advised to meet with a counselor to discuss transfer requirements and lower division major preparation that is needed for their intended transfer university.

Although the certificate recognizes the completion of IGETC lower division general education requirements, it does not guarantee admission to a specific campus within the CSU or UC system nor does it guarantee admission to a specific major. Some majors and colleges may require a different lower division preparation and/or a higher GPA than is necessary for this certificate. A grade of "C" or better is required in all courses.

Program Learning Outcomes:

- Demonstrate effective communication, appropriate to the audience and purpose.
- Critically evaluate information to interpret ideas and solve problems.
- Utilize information from a variety of sources to make an informed decision and take action.
- Demonstrate effective interpersonal skills with people of diverse backgrounds and effectively function in group decision making.

Requirements:*

Area 1: English Communication <i>UC: Select 2 courses - one course from each area (1A, 1B)</i> <i>CSU: Select 3 courses for a total of 9 units - one course from each area (1A, 1B, 1C)</i>	6-9
Area 2: Mathematical Concepts and Quantitative Reasoning	3.0 units
Area 3: Arts and Humanities <i>Select one course from each area (3A, 3B), plus an additional course from either area</i>	9.0 units
Area 4: Social and Behavioral Science <i>Select three courses from a least two academic disciplines</i> <i>(CSU American Institutions may be completed in this area)</i>	9.0 units
Area 5: Physical and Biological Science <i>Select one course from each area (5A, 5B). Minimum one course with lab (5C)</i>	7-9 units
Area 6: Language Other Than English (UC requirement only) <i>Proficiency equivalent to two years of high school study in the same language</i>	
Total	34-37 units

*Please refer to the current IGETC pattern for specific courses in each area.
