BCC	Program Modification	Sociology	AA-T	Fall 2020	SOC	2208.00	<p>The Sociology for Transfer degree is designed for students planning to transfer into the sociology major. A study of sociology allows for the systematic study of human social institutions and social relationships. Students pursuing the AA for transfer into the sociology major will study the role of social theory, sociological research methods, social organization and structure, social stratification and hierarchies, dynamics of social change, family structures, social deviance and control, and applications to the study of specific social groups, social institutions, and social problems. Successful completion of the program with a minimum G.P.A. of 2.0 affords students specific guarantees for transfer to the CSU system such as admission to a CSU with junior status, priority admission to their local CSU campus and to a program or major in sociology or similar major. Students interested in the AA for transfer degree in sociology should consult with the Social Sciences Department Chair and a counselor.</p> <p>Program update includes:</p> <ol style="list-style-type: none"> <li>1.
