2. Discussion Items

- A. Update on ADT Checklist: Tabled until February meeting
- B. Update on Change to Some ESOL Course Numbering: Tabled until February meeting to have ESOL faculty present
- C. Release of PCAH 7th Edition & Timeline for Updating Peralta Handbook:
 - 1. Amany will update the Peralta handbook to be consistent with information in the newly released 7th edition of the Program and Course Approval Handbook (PCAH) from the State Chancellor's office. Academic Affairs had planned to make the district handbook a live online document, which would mean updates would appear automatically when policies and procedures change, but the person who would have worked on this project is no longer available. For now, it will continue to be a static document that is periodically updated manually until we have personnel available to do this work.
 - 2. A memo will be forthcoming from the State Chancellor's office but the document is already officially published and available at: https://www.cccco.edu/-/media/CCCCO-Website/Reports/CCCCO_Report_Program_Course_Approval-web-102819.ashx?la=en&hash=8E54C44CB97423B024D18C7AB13C456F91FB03E3
