

BCC Distance Education Newsletter

NEWS AND UPDATES

SEPTEMBER 2017

Welcome to learn.peralta.edu!

Our new learning management system Canvas comes with a new website. All faculty now have access to Canvas shells to use for practice or course building.

Faculty can access this website through:

learn.peralta.edu

Access information and support for Canvas is available on BCC's Distance Education Website:

<http://www.berkeleycitycollege.edu/wp/de/>

Canvas Training and Support Available Now!

Drop in Labs: Faculty can drop in to work on their Canvas courses or ask any questions about Canvas in our lab. Labs can be used by faculty both familiar with Canvas or instructors new to online teaching. Labs will be open every week for the rest of the semester.

Days: Tuesdays, Wednesdays and Thursdays

Times: 12:30 - 1:20 pm

Room: 312

Drop in Office Hours: Faculty can also connect with one of our Canvas trainers during their Canvas support office hours.

Mondays: 5:00 - 6:00 pm

Wednesdays: 4:30 - 5:30 pm

Thursdays: 12:30 - 1:30 pm

Room: 341 (the Teaching and Learning Center)

Self Paced Canvas Webinars: All faculty have access to an interactive webinar series of Canvas tutorials that are supported by a Canvas trainer.

Webinars can be accessed at: training.canvaslms.com

Sign in instructions available on the BCC DE Website:

<http://www.berkeleycitycollege.edu/wp/de/canvas-webinars/>

October 26th FLEX Day Workshops: The District is hosting two instructional design workshops at BCC on the October FLEX Day. These workshops are open to faculty at any of the four campuses and require advanced sign up. To sign up for these workshops (or any other District sponsored workshop) please use this link:
