

Science/Biotechnology Department presents Spring 2018

# S.T.E.M. Careers Lunch Talks

- Are you interested in biotechnology or chemistry?
- Do you know how pharmaceuticals are discovered and developed into commercial products?

## Come to the talk on March 1 Drug Discovery: A Medicinal Chemist's Perspective

presented by

### Wayne Spevak, Ph.D.

*Senior Director of Chemistry, Plexxikon Inc.*

March 1, Thursday, 12:30 – 1:15 p.m., Rm 431
