California State University General Education Breadth Requirements (CSU GE)

The California State University (CSU) requires all students to complete at least 48 semester units of general education (GE) to earn a bachelor's degree. The CSU GE-Breadth is a 39 semester-unit pattern of lower-division GE courses that may be completed at Berkeley City College. The remaining 9 units of GE are upper division courses that must be completed at the CSU. It is recommended that students planning to transfer to a CSU complete their lower-division GE prior to transfer by following the CSU GE-Breadth pattern. However, the CSU GE-Breadth pattern may not be the best GE preparation pathway for ALL majors. Students should consult with a Counselor to determine the best GE plan for their major and transfer destination.

Students may be eligible for transfer to California State Universities, with junior standing, upon completion of 60 transferable semester units with a grade point average of 2.0 ("C") or better. "Golden Four" Course Areas – A1, A2, A3 and B4 are required for admission into any California State University and must be completed with a grade of "C" or better.

The courses listed on the previous page are **CSU GE-BREADTH APPROVED FOR BERKELEY CITY COLLEGE ONLY**. Students completing courses at other California Community Colleges should carefully review course differences in CSU GE placement. A full list of CSU GE approved courses for all California Community Colleges are found on www.ASSIST.org

Certification

Upon request, Berkeley City College will verify the completion of lower-division general education requirements for transfer to the CSU. Courses can only be certified if they were on the CSU approved list at the time they were taken by the student. Students who transfer without completing the CSU GE-Breadth will have to meet both lower and upper division general education requirements specific to the CSU campus to which they are transferring.

GE Credit by Examination:

Satisfactory scores on Advanced Placement (AP), International Baccalaureate (IB), and College Level Exam Preparation (CLEP) exams may be used to award GE credit and to certify completion of CSU GE-Breadth areas. These units will be applied in accordance with the [CSU Chancellor's Office policy](#) which is updated annually. Students will be required to provide official AP/IB/CLEP test scores. Each CSU campus determines how it will apply credit earned by these examinations toward requirements in the major.

Courses Completed at Other California Community Colleges (CCC)

Courses taken at more than one CCC may be used to fulfill CSU GE-Breadth. Coursework may only be applied to the CSU GE-Breadth area for which it was approved at the community college where and when it was completed. Refer to www.ASSIST.org for a list of CCC courses that satisfy CSU GE-Breadth requirements.

U.S. History, Constitution, and American Ideals

All CSU campuses require U.S. History, Constitution and American Ideals to graduate. This graduation requirement can be met prior to transfer by selecting one U.S. History course (**HIST 7A**, **HIST 7B**) and one U.S. Government course (**POSCI 1**). Though not required to complete CSU GE, these courses may satisfy AREA D.

AREA F – Ethnic Studies

One course in Area F - Ethnic Studies and two courses in Area D are required for new students starting Fall 2021 or for returning students who lost previous catalog rights. Continuing students with catalog rights prior to 2021-22 are exempt from this requirement and may follow the previous CSU-GE pattern. Per CSU, continuous enrollment is defined as attendance in at least one primary semester in a calendar year (Title 5, 40401).

CERTIFICATE OF ACHIEVEMENT IN CSU GE-BREADTH:

Students who complete the CSU GE-Breadth pattern eligible to apply for the CSU GE-Breadth Certificate of Achievement from Berkeley City College.
