Society of Scholars

Enroll in a Berkeley City College Society of Scholars Community to Help Ensure Your College Success!

BCC's Society of Scholars (SoS) are cohort-based, meaning students take classes with the same group of students and move forward together to reach their educational goals. This enables students to have a support system within their peers, building relationships and connections with one another as they help each other succeed. This peer support is in addition to the support they also receive from BCC's dedicated instructors and counselors who provide valuable support services such as individual counseling, tutoring, mentoring, and educational planning — all to ensure a successful transfer to jobs and/or a four-year university.

Why should you join a society of scholars community?

- Priority Registration!
- Dedicated counselors who stay with you until you meet your goal, TRANSFER!
- Inclusive instructors who are committed to honoring diverse identities and use multicultural textbooks.
- Build a network of scholars and friends through community building activities.
- Participate in communities events: Conferences, guest speakers, field trips, and many more!

If you are the first in your family to attend college, or may be the first time back to college after being away for a while, or if you are a Berkeley Community Scholar, Oakland Promise or Richmond Promise Scholarship recipient, then SoS is definitely for you. BCC offers four unique programs to welcome you.

To find out more about Society of Scholars Communities and how you can enroll, email:

bcc-learningcommunities@peralta.edu or visit us at <https://www.berkeleycitycollege.edu/learning-communities/>

AAPI LEAD (Leadership Empowerment, Advocacy, Diversity)

The intent of AAPI L.E.A.D. is to provide access and support to the diverse group of students that identify as Asian American and Pacific Islander (AAPI) and others who would appreciate and benefit from learning from the AAPI perspective.

AAPI L.E.A.D. strives to empower our diverse LEADers to learn more about their cultural identities and develop leadership and advocacy skills through participating and facilitating various on-campus and off-campus events and activities, including but not limited to: AAPI L.E.A.D. student club, student panels, career panels, conferences, cultural events and activities.

IGNITE

The mission of IGNITE Scholars is to help you, a first-time college student, obtain an associate degree in two to three years and direct you to the right classes to transfer to a four-year college or university and possibly earn an AAT/AST degree. This innovative cohort program provides intensive support and early planning to help you succeed in college.

The PUENTE Project

The Puente Project's mission is to increase the number of disproportionately impacted students who: enroll in four-year colleges and universities, earn college degrees, return to the community as mentors and leaders of future generations.

Here at BCC, we support our Puentistas in attaining their education and career goals through a combination of intentional counseling, curriculum that promotes self and collective empowerment, and opportunities for mentorship by members of the community. Through our cohort model, students build meaningful connections with each other, their Puente faculty and staff, and the larger BCC Society of Scholars community.

UMOJA SCHOLAR

UMOJA (A Kiswahili word meaning unity) is a program dedicated to enhancing the cultural and educational experiences of students who identify with the Black and African American community. The UMOJA Scholars program goal is to support students to complete integrated courses, learn from the African Diaspora and transfer to a four-year institution including Historically Black Colleges and Universities.

All students will have an opportunity to qualify for transfer level math and English courses for enrollment, due to the enactment of AB705. With AB705 in place, students will automatically be placed in math and English courses based on their high school transcripts instead of taking a placement test and having courses assigned based on that test. Now student transcripts will be reviewed by a counselor and, depending on your high school level in English and Math courses, you will be placed in the appropriate course. The following documents can be used as multiple measures for course placement:

1. college and/or high school transcript,
2. high school AP (with a 3 or higher) and
3. IB (with a 6 or higher) score.

Bookstore

The campus bookstores, currently operated by Follett Higher Education, are adjusting their services to help reduce costs. We're collaborating with Follett as the District works on a new Request for Proposals (RFP) for bookstore operations. The District is in the process of selecting a new vendor to oversee bookstore operations for the Peralta Colleges. The RFP procedure is overseen by students, faculty, and staff with an update on this matter expected by December 1, 2025. In the meantime (as of October 31, 2025), the Laney College store is the only bookstore with a physical location in the District, while bookstores for Merritt, Berkeley City College, and College of Alameda exist online only. All individual websites are live and service each campus through the RFP process. For now, students can choose shipping for home delivery or pick-up orders in-person at the Laney College Bookstore.

Financial Aid - Frequently Asked Questions

Why should I apply for financial aid?

Financial aid is made available to assist students and families in meeting the costs of a post-secondary education. If you believe you will need assistance in meeting those costs, you should apply for financial aid. You can apply online at studentaid.gov, via the mobile app at "MyStudentAid", or at dream.csac.ca.gov (For California AB540 students)

If I am not a U.S. Citizen, am I still eligible to apply for Financial Aid?

To be eligible for federal aid, a student must be a U.S. citizen or an eligible non-citizen. Eligible non-citizens include U.S. permanent residents (I-551), conditional permanent residents (I-551C), or non-citizens with an I-94 record showing "Refugee," "Asylum Granted," "Parole," or "Cuban-Haitian Entrant" status. Students with F-1, F-2, or G series visas are not eligible for federal or state financial aid.

How do I get financial aid?

To receive financial aid, you must apply by completing the FAFSA or California Dream Act application. Everyone should apply, even if they think they won't qualify. For the Cal Grant program, submit a GPA Verification Form by March 2nd or September 2nd each year. You may also need to provide additional documents like IRS tax transcripts. Respond promptly to all Financial Aid Office requests.

Do I need to complete my income tax return before I complete the Financial Aid Application?

While it is recommended that you complete your tax return prior to filling out your FAFSA or Dream Act, it is not essential. You can fill out the financial aid application using estimated information from your W-2. Any large discrepancies between your aid application and your tax return may have a large impact on any preliminary financial aid award you receive.

What happens if I have academic or other problems and have to drop classes or drop out of college entirely?

If you receive aid and then drop units or withdraw prior to the end of the semester, you may be required to repay a portion of the funds. The repayment amount will be determined after the add/drop period has ended. Students that are required to repay may be required to do so before being allowed to enroll or receiving additional financial aid.

What is Satisfactory Academic Progress (SAP)?

Students who have applied for financial aid enter into an agreement to attend class and complete courses with a passing grade. Failure to complete required units, meet the minimum cumulative GPA requirement or exceed the maximum unit limit will result in disqualification from receiving further financial aid.

For more info please visit <https://www.peralta.edu/financial-aid/satisfactory-academic-progress>

Do I have to reapply for financial aid every year?

Yes. The FAFSA Application is available October 1st each year. Make sure you include our school codes: Berkeley City College (014311), College of Alameda (006720), Laney College (001266) and Merritt College (001267)

Is there a limit to how much financial aid I can receive?

Yes. The duration of a student's eligibility to receive a Federal Pell Grant is limited to 600% lifetime or its equivalent to 12 full-time semesters. Calculation of the duration of a student's eligibility includes all years of the student's receipt of Federal Pell Grant funding. Once a student has received a Federal Pell Grant for 12 full-time semesters (or its equivalent) the student will no longer be eligible for further Federal Pell Grant. For Cal Grants, students can receive for 8 full-time semesters or 400%.

How is my financial aid disbursed?

Financial aid funds are disbursed through BankMobile Disbursements, a technology solution, powered by BMTX, Inc. These financial aid funds will first cover your current aid year charges in your Campus Solutions account. Any excess funds will be refunded to you for other educational expenses.

The Peralta Community College District uses BankMobile Disbursements for refunds. For more information, visit <https://disbursements.bmtx.com/refundchoices/>

If a student pays an Enrollment Fee of less than \$10 and cancels his/her registration or withdraws from all classes before the deadline, the processing fee shall equal the Enrollment Fee.

No refund of the Enrollment Fee will be made to any student who withdraws from classes after the first two weeks of instruction.

A student may request a refund up to the end of the following term in which the refund was due. After that time, the student will not be eligible for the refund.

To apply for an enrollment fee refund, email an Application for Refund Request form at the Cashier's Office website.

Required materials are defined as those which a student must procure or possess as a condition of registration, enrollment or entry into a class, or any such materials which are necessary to achieve those required course objectives.

Wait List FAQs - Frequently Asked Questions

During registration, if you try to register for a class that is full ("CLOSED"), you will be given the option to add to the wait-list for that class until the wait-list fills. Remember, being on a wait-list does not guarantee you a seat in a class. If seats become available, those on the wait-list will be enrolled in the order they were added to the list.

Important: Passport will allow you to get on a wait-list, however, you will not be enrolled if you have any holds, time conflicts, repeat or prerequisite errors, duplicate courses, excessive units, or any type of registration error.

Can anybody get on a Wait-list?

Anyone can get on a wait-list if the wait-list for the class is available, but you will **ONLY** be enrolled in the class if:

1. You meet the class prerequisites
2. The class time does not conflict with another class in which you are already enrolled
3. You are not enrolled in another section of the same course
4. You have no repeat errors or holds on your record
5. The class units do not exceed your maximum allowed.

When the daily process runs and space in the class is available, if you are on the wait-list but do not meet the criteria above, instead of being automatically enrolled in the class you will remain on the wait-list.

Who gets into a class from a wait-list?

If one seats become available, students will automatically be enrolled in the class in the order in which they were added to the wait-list as long as there are no errors or enrollment restrictions.

How do I know if I got into a class?

If you are auto enrolled from the wait-list, you will be notified by email to your Peralta email account. Be sure to activate and monitor your Peralta emails during the registration period.

When do I pay for the class?

Fees will be assessed after you enroll in a class and must be paid 2 weeks before the beginning of the term. If you do not pay your fees, you may be dropped from the class for non-payment. If you add after this deadline, you are required to pay the fees immediately or a hold WILL be placed on your account and your debt will be sent to collections. Students on a wait-list should monitor their Peralta email closely for enrollment notification.

What is the first day I can wait-list?

Waitlists become available when a class reaches its enrollment capacity. Waitlisted classes are displayed in the online schedule of classes with a yellow triangle icon.

What is the last day I can be added to a wait-list?

You can be added to a wait-list until the day before classes begin.

What prevents me from adding to a wait-list?

- Enrollment appointment date/time has not yet been reached
- The last day to add to the wait-list has passed
- Class is not yet closed
- Wait-list is at its capacity
- You have reached the limit for waitlisted units (waitlisted and enrolled units cannot exceed 10 units in summer, and 18 units in fall and spring)

If an enrolled student drops a class and a seat opens up, do waitlisted students get the opportunity to enroll first?

Yes. When a class is marked as closed only students from the wait-list can be enrolled. Before the first day of classes, a daily process runs to automatically enroll students from the wait-list. If all waitlisted students are successfully enrolled in the class and there are still seats available, the class will reopen. However, if all students from the wait-list are moved to the class filling the class to capacity, the class will remain closed and the wait-list will re-open.

If by the first day of class you are still on the wait-list, you will need to attend the first class meeting and obtain a permission number from your instructor in order to enroll in the class.

Can I be on the Wait-list for more than one section of the same class?

Yes. You will be automatically enrolled in the section that becomes available first, depending on your position on the wait-list for each section.

How can I tell if a class has a wait-list?

Waitlisted classes are marked by a yellow triangle in the online schedule of classes.

How do instructors know who is on the wait-list?

Class waitlists are available to instructors through class rosters.

Can a student be both enrolled and waitlisted for different sections of the same class?

Yes, but they cannot be enrolled in both. A student can be enrolled in the open section of a class and at the same time be on the wait-list for a different section of that same class (maybe the waitlisted section was their first choice, but it has reached capacity). However, a student will not be auto enrolled in the waitlisted section when a seat becomes available, even if they are eligible. In this instance, they will need to drop themselves from the section they are currently enrolled.

How will I move from the wait-list into the class?

During the registration period before classes begin, you are automatically enrolled as space becomes available. After classes begin, instructors are required to issue permission numbers. You use the class permission number to enroll in the class via Campus Solutions or by going to the Admissions and Records office at the college.

Is there a limit to the number of units that can be waitlisted?

Yes. Your waitlisted units and enrolled units cannot exceed 10 units in summer and 18 units in fall and spring.

Are waitlisted units counted into my total units for the term?

No. Enrolled units and waitlisted units are counted separately. Waitlisted courses are not counted towards full-time status or calculated for fees.

Will I be charged the enrollment fee when I add to the wait-list?

No. You are only charged the appropriate fees when you are officially enrolled in the class.

Can I drop myself from a wait-list?

Yes. You can drop yourself from a Wait-list using Drop Classes in Campus Solutions.

Can I see my position on a wait-list?

You can view your wait-list position in Campus Solutions. Click the Manage Classes tile and review the information in the View My Classes section.

How to use a Permission Number

You may add regular session (full term) classes, where space is available, using Campus Solutions the first day of class and through Sunday of that week. After the first week of classes, you may only add a regular session class by obtaining a permission number from the instructor.

You will need only the permission number for online enrollment through Campus Solutions. You will need the permission number and signature on an ADD CARD FORM to enroll in-person.

You are responsible for registering yourself in the class via Campus Solutions with the permission number in person at the College Admissions and Records office by the last day to add for the term.

How do I obtain a permission number?

To obtain an instructor permission number you must attend a class meeting and/or e-mail the instructor. If space is available, the instructor may provide the required permission number.

How do I use the permission number to enroll?

To enroll online, log in to Campus Solutions and follow the regular enrollment steps. If a permission number is required, you will be prompted to provide it during the enrollment process (see adding a class with a permission number instructions). To enroll in person, you will need to fill out an add card form and obtain the permission number and instructor signature.

How do wait-listed students use a permission number?

A waitlisted student needs to follow the regular enrollment process and add the permission number during Step 2 (Review Class Preferences).

Do permission numbers override a course pre-requisite or enrollment hold?

No. Similar to auto-enrolling from a waitlist, permission numbers only allow you to enroll if you have met the requisites and have no holds on your account.

Prerequisite/Corequisite Policy & Procedures

Prerequisites

Some courses have prerequisites: faculty have determined that students are highly unlikely to succeed in these courses unless they have acquired a certain level of skills or knowledge, usually through taking another course beforehand. The prerequisites for each course are listed in the class schedule.

When you attempt to enroll Online in a course with a prerequisite, the system checks your academic records for evidence that you have taken or are taking the prerequisites at one of the Peralta Colleges.

1. If you have taken the prerequisites at a Peralta College after 1987 and have received a grade of C or better in it, you are allowed to enroll.
2. If you are currently taking the prerequisites, you are allowed to enroll conditionally until your grade is received. If your grade in the prerequisites is below a C, you will be automatically dropped from the higher level course. You will be informed of this by Peralta email.
3. If you have met the prerequisites through a course taken at another college, you will need to submit proof to the counseling department.
4. If you feel the prerequisite has been met through assessment at another institution, and you have either your scores and placement recommendations or a transcript showing the courses you assessed into and enrolled in, or through other means, (this is referred to as "Multiple Measure Assessment" in the class schedule), please see a counselor. The counselor will look at your test scores and discuss your preparation for the course. If the counselor determines that you have met the prerequisites, he/she will clear you for the course and you will be allowed to enroll.
5. If you feel that you have met the prerequisites through your life experience, or you believe that the prerequisites is unnecessary or unlawful, go to the admissions office to complete and sign a Petition for Prerequisite Challenge. You will immediately be cleared to enroll, pending review of your petition by faculty. If your challenge is approved you will remain in the class. If your petition is denied, you will be dropped from the class. You will be informed of this by phone. Challenge petitions must be approved or denied within five working days of the day they were filed. If your petition is not reviewed within five working days, you will remain in the class.

Co-requisites

Some courses have co-requisites: faculty have determined that students are highly unlikely to succeed in these courses unless they enroll in the co-requisite course at the same time. The co-requisites for each course are listed in the class schedule.

If you enroll in a course with a co-requisite, make sure to enroll in the co-requisite course as well. (If you have previously taken the co-requisite course and obtained a grade of C or better, you don't need to enroll in it again).

Open Classes

It is the policy of the Peralta Community College District that, unless specifically exempted by statute, every course, sections or classes, the average attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully opened to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

Student Study Load

In order to complete an Associate in Arts or Associate in Science degree at one of the Peralta Colleges in two years, an average unit load of 15 units per term is often necessary. Students may not carry more than 18 units (including a combined total of all Peralta Colleges) without prior approval of a counselor. Counselor approval is required for excess units up to 21.5 units. Enrollment in 22 to 25 units requires approval of the Dean of Student Services. Under no circumstances will approval be granted beyond 25 units. The maximum number of units for the Summer Session is ten (10). For college purposes, a full-time student is one who is carrying 12 or more units. Students are not permitted to enroll in classes with conflicting or overlapping meeting times.

These crime statistics can be found in the Peralta Community College Personal Safety Handbook at <https://www.peralta.edu/campus-public-safety/personal-safety-handbooks> and also in the more comprehensive Annual Security Report (A.S.R.) found at <https://www.peralta.edu/campus-public-safety/annual-security-report>.

Safety Services (continued)

Parking & Traffic Regulations

During the Summer and Fall 2025 terms, there were no fees for parking at College of Alameda, Laney College, or Merritt College. However, Peralta is looking to resume parking enforcement as outlined below in January 2026.

All provisions of the California Vehicle Code apply to individuals and vehicles being driven on and about campus property and parking lots. All vehicle codes, including 21113 C.V.C., are strictly enforced. The speed limit is five (5) m.p.h. in campus parking lots and property. Students may only park in designated student parking areas.

Persons must obey all California Vehicle Codes and carefully read and follow the campus parking and traffic signage. Illegally parked vehicles will be cited and/or towed at the owner's expense. For towed vehicles, contact Peralta Department of Public Safety Services at (510) 466-7236. *College officials do not have the authority to rescind or arbitrate citation matters.*

Students must not park in staff parking areas, red zones, yellow (loading zones), green 30-minute zones, or other unauthorized areas. Disabled student parking areas are available and posted with blue paint and handicapped accessible parking signs.

"Handicap Accessible" signs indicate that the area is accessible to persons with disabilities; they do not mean that it is designated for "Handicapped Parking."

Disabled students must also correctly display their daily or semester parking permit (and a Student ID. Decal if they attend Laney) along with their D.M.V.-issued handicap placard and/or handicap license plate. Staff must adequately display their staff parking permit along with their D.M.V.-issued disabled placard and/or disabled plate.

Daily parking permits expire at 10:45 p.m. each night, and the parking lot gates are locked and secured at 11:00 p.m. Overnight parking is not authorized, and vehicles will be towed at the owner's expense. (Contact Peralta Safety Services for towed vehicles at (510) 466-7236.

Visitors may park in the green 30 minutes zones at Merritt and College of Alameda if they are staying only 30 minutes or less. Visitors may park lawfully on the street at campuses with street parking (metered zones require coinage). Special guest permits may be obtained through the business offices and the Department of General Services in the District Services Center (D.S.C.).

Semester parking permits may be obtained for students parking at Laney, Merritt, and College of Alameda campuses in the Business Office or the Bursar's Office for each campus.

In addition to the daily parking permits, Laney College students must correctly display a "STUDENT ID. DECAL" (hanging from the rear-view mirror with the numbered side facing outward) in order to park in a student parking lot, or you will be cited.

Student ID. Decals are issued initially at no charge and can be obtained from the Cashier's Office. (There is a \$10.00 replacement cost for lost or stolen Student ID. Decals).

Unlike Laney, Merritt, and College of Alameda, Berkeley City College has no parking lot. Therefore, Berkeley City College does not honor parking stickers from other Peralta Colleges. There is no designated public parking lot at Berkeley City College.

Safety Tips

- Keep vehicles, offices, classrooms, and other areas secured when practical.
- Keep valuable and/or easily portable items secured when possible
