Financial Aid Disbursement Update

The following information replaces the information on Financial Aid Disbursement on page 25 of the catalog:

In order to receive a disbursement, a student must have a completed application, completed financial aid file and be enrolled in the required number of units.

Most aid is distributed on a three payment per semester basis. Normally, the first payment is the week before the term begins, the second payment may be expected during the first week of each semester, and the third payment after the mid-point of each semester.

Student loans are disbursed in accordance with procedures set forth by federal regulations.

Federal Work-Study recipients will be paid once a month. Financial Aid funds are disbursed by BankMobile Disbursements, a technology solution, powered by BMTX, Inc. Visit this link for more information: <https://bankmobiledisbursements.com/refundchoices>
