Institutional Effectiveness Partnership Initiative

Berkeley City College IEPI Update
October 10, 2022
Presentation to College Roundtable

Kuni Hay, Vice President of Instruction

BCC Areas of Focus

1. Infrastructure Capacity Building for use of data focused on Equitable Student Outcomes

- **IR Office** for increased data analysis and systems revisions

- **Necessary programmatic and service revisions that lead to equitable outcomes** (e.g. , APU/CPR revisions, BPAs for Guided Pathways implementation)

- **Action plan to address students' experience of BCC** and key areas of challenges and institutional barriers that inhibit their progress

- PD for teaching & learning with faculty and classified professionals, including but not limited to **New Faculty Academy, Adjunct Faculty Symposium, Classified Professionals Symposium.**

BCC Areas of Focus

2. Strengthen and streamline fiscal capacity to sustain institutional priorities focused on equitable student outcomes

- **Integrating equitable outcome data to strategic planning**, as it relates to strategic planning and overall institutional effectiveness

- Develop a **visual representation** of how equitable outcomes data are used in resource allocation.

IEPI Update for PRT Visits

- **Peer Resource Team:** Team of CCC colleagues who review our proposal and offer expertise to implement necessary activities/process to meet our proposal goal.

- Upon completion of the IEPI process, **BCC will receive $200k** to implement the plan of action after PRT visit #1(October 31) and visit #2 (December 2)

PRT Site Visit: October 31, 2022
