**Berkeley City College  
Mathematics,  
Engineering and  
Science Achievement  
(MESA) Center**

1

**BCC MESA Center**

Berkeley City College was recently awarded \$1.4M over the next five years to support a Mathematics, Engineering and Science Achievement (MESA) program, beginning AY 2022-2023.

**Key elements include:**

- A new dedicated Director position
- Funding for student success services including tutoring, academic coaching and mentoring.
- Facilities and equipment funding for a new MESA Center.

TRANSFORMING LIVES

2

**The MESA Center**

-  A key requirement for a successful MESA program is a dedicated space for staff and student activities
-  The MESA Center will provide space for the director and support staff office, as well as for faculty providing office hours, tutoring, academic excellence workshops, and meetings of the MESA Campus Council.
-  The Office of Instruction, in conjunction with the Business Office, have selected Room #1 at the 2000 Center Street Facility as the temporary dedicated MESA program center. **This request has been reviewed and endorsed by the President's Cabinet and Executive Team.**
