

On March 2, 2022, the BCC Academic Senate approved a statement that the college should do the following , based on a position paper of the ASCCC:

Ensure dedicated, full-time, tenure track faculty members serve in primary leadership, whether as directors or coordinators, instructional and training roles in Tutoring and Learning Centers on California community college campuses

And

Provide support to faculty to meet the program standards for tutor training, tutoring, and online tutoring established by CRLA, ACTLA, and other professional organizations

MOTION:

The Academic Senate moves to create a faculty advisory support team on tutoring (FASTT?) as a working group of the BCC Academic Senate. The group will determine its composition and meeting schedule.
