

## Berkeley City College Flex Day

Thursday March 22, 2018																									
8:15 – 8:45	Breakfast (421-424)																								
8:45 – 9:00	Framing the day (421-424)																								
9:00 – 11:30	<p>Guided Pathways (421-424) <i>Transforming Student Experience</i></p> <p>Guided Pathways is an initiative from the state Chancellor’s Office that requires a college-wide transformation to an even more student-centered approach. Instead of our thinking “How do we get students ready for college?” Guided Pathways has us ask “How do we get the college ready for students?” The morning session on Guided Pathways is relevant for EVERYONE in our BCC family to attend. The GP implementation touches and affects every individual at the college and it is critically important that we come together to understand what it is, why we are doing this, and how we want to implement this framework at BCC to ensure that our students succeed in achieving their educational and career goals in a reasonable time frame. The morning session will be interactive and it includes dialogue and discussion. We will have a team of dynamite coaches and the BCC Task Force team who will facilitate this morning session for you. This is our future and we need your voices!</p>
