Program	Executive Summary	Success Stories	Action Plan	Program Needs
<p>Admissions and Records</p>	<p>The Admissions & Records (A&R) offices serve as the first point of access to the colleges for new students and the general public. Admissions and Records is dedicated to student access and success by providing accurate, timely and exceptional customer service regarding application, registration and academic policies while providing responsive and respectful service to students, faculty, staff and the community.</p>	<p>Admissions & Records serves approximately 6,200 students during peak registration with limited staff and space. Because of the assistance from the student ambassadors, students are more effective and capable of managing their own account.</p> <p>Peralta District received a grant from the CCC Electronic Transcript Mini Grant which allows the Peralta Community College District to participate in the electronic transcript program with institutions that also process electronic transcripts at http://etranscriptca.org/. We now send and receive electronic transcripts.</p>	<p>Expand services as the student population grows with the prospects of a new campus building to support our expansion.</p> <p>Provide mobile application and enrollment service for special population groups during peak registration.</p> <p>In the coming year Admissions & Records staff will collaborate closely with Financial Aid Office as they join the PeopleSoft System to ensure that students are receiving the information needed.</p> <p>Work on streamlining and moving more toward web based student interaction for the Admissions & Records portion of the matriculation process (SSSP).</p>	<p>Personnel</p> <p>An additional staff person (1.0 Clerical Assistant I) is needed to provide support for the 3 FTE, increase customer service, and cover the evening hours.</p> <p>Technology</p> <p>Two (2) desktop computers at the Admissions & Records counter, one (1) laptop to be used during registration and two (2) updated printers.</p>

<p>Articulation</p>	<p>The mission of BCC's Articulation Services is to assist students transferring to four-year colleges and universities. That assistance is provided through articulation agreements which include submitting courses for inclusion on the University of California Transfer Course Agreement, submission of courses for CSU General Education and Intersegmental General Education Transfer Courses (IGETC), requests for lower division and major preparation course-to-course articulation agreements, and submission of courses for C-ID approval to meet ADT requirements. In addition the Articulation Officer is responsible for annually updating BCC's AA/AS General Education requirements. All of this is accomplished by working collegially with faculty and administration.</p>	<p>BCC's Articulation Officer is an important resource for all faculty (counseling and instructional) and administration by providing up-to-date articulation/transfer information which has impact on BCC's academic programs and student population.</p> <p>The BCC articulation officer is a member of the BCC curriculum committee and the district Council for Instructional Planning and Development, as well as state articulation groups (regional, NCIAC, and CIAC). The current Articulation Officer also is a member of the CSU General Education Advisory Committee and will service as a CSU General Education Reviewer.</p>	<p>Maintain the currency of the baccalaureate lists for the University of California System (UC TCA) and the California State University System; Maintain the annual submission of courses for the Intersegmental General Education Transfer Curriculum agreement with the University of California System and the California State University System (IGETC); Maintain the annual submission of course for General Education Breadth for the California State University System (CSU GE Breadth); Maintain updates in the ASSIST database and in OSCAR, the official repository systems for all California articulation involving community colleges and public four-year colleges</p>	<p>Personnel</p> <p>Increase human resource from .5 to 1.0 FTEF.</p> <p>One designated IT personnel to enhance the PCCD/BCC Articulation web site.</p> <p>Office Needs</p> <p>Typical office supplies; larger computer monitor</p>
----------------------------	---	---	--	--

		<p>The Articulation Officer assists instructional faculty with the development of new courses and updating existing courses for transfer. The Articulation Officer also assist in the development of Associate Degrees for Transfer (ADT) and the needed submission of ADT courses for C-ID approval. As part of this assistance, the Articulation Officer often does the research using appropriate resources, e.g. internet, catalogs, contacting Systems Office Personnel and 4-yr Articulation Officers.</p> <p>The Articulation Officer receives curricula changes from the System Offices and 4-yr Articulation Officers. These curricula changes must be communicated to BCC faculty and administration, so courses can be updated to meet specific transfer requirements. Consultation is through e-mail and individual meetings.</p> <p>BCC's A.O. is responsible for submitting transferable courses to the System Offices (UC and CSU) and 4-yr institutions for their faculty review and approval. If formal articulation agreements are not established and maintained, it would be more difficult for BCC students to meet their transfer requirements.</p>	<p>and universities;</p> <p>Respond to four-year college and university requests for course-to-course articulation and major preparation articulation agreements, as well as submitting outlines for the University of California, Letters and Science breadth pattern;</p> <p>Review course-to-course major preparation articulation agreements with those schools which BCC students primarily apply to for transfer and consistently work to update those articulation agreements;</p> <p>Keep IGETC, CSU GE, and UCB L&S advising sheets current;</p> <p>Continue to submit courses for C-ID approval to assist with the development of the Associate Degrees for Transfer and to provide an additional articulation option for CSU articulation;</p> <p>Maintain active and involved participation on the Berkeley City College Curriculum Committee; the district Council on Planning, Instruction, and Development (CIPD); the district CIPD General Education Subcommittee; the District Education Committee; the College Education Committee; and attend all sessions of the segments of the California Intersegmental Council for Articulation (CIAC), including regional meetings and NCIAC meetings (as best as possible; and</p> <p>Participate and attend the CSU General Education Advisory Committee as an official member.</p>

<p>Assessment and orientation</p>	<p>The mission of the Assessment and Orientation Department is to provide newly admitted and returning students with an initial assessment and orientation experience to college that empowers them to make informed decisions about their academic experience. The department provides students with clear and useful information about their academic skills and the college environment in order to support their active efforts in choosing and achieving their educational goals.</p>	<p>Students take the Compass English and Math assessment exam to be placed in appropriate classes according to the recommended results of the exam and the number of students taking advantage of Orientation and Assessment.</p> <p>The college saw an increase in the fall 2011 of 3% (64.9% to 67.9%) and in the fall of 2012 another increase on 3% (67.9% to 71.2%). There was an increase in ESL testing during the term as well.</p> <p>Moving forward in to the 2013-14 year there has been a steady increase in students coming to the college to complete their undergraduate requirements, with data that shows in 2013 more than 2,100 students were tested and referred for additional services. This increase indicates a need for add additional staff support to the department, given that this program is at present a one-person department, and the workload has increased significantly annual bases since 2006.</p> <p>The strength of the Assessment Department is the existing orientation is strong in that it covers required topics in an efficient, engaging, and consistent manner. The hour long orientation session provide students with useful information about the programs, services and resources at the college that empowers them to make sound academic decisions.</p>	<p>As a part of the PCCD Student Success & Student Support Group, the district is currently working on a simplified matrix that will help identify and assist the colleges in complying with state mandates.</p> <p>Currently we are in the process of piloting in fall 2014 an online orientation for all students including disabled, and distant education students. Collaborating with the various departments, services and campus resources the District SSSP Committee is trying to create a well-developed and comprehensive way at each campus to integrate ACT Compass with PeopleSoft System, so that it the test results are immediately sent to download into the PeopleSoft System and counseling will have immediately access to student testing scores for matriculation and FTE</p> <p>Begin a mobile enrollment services to various feeder schools, and special populations. <p>Counseling</p>	<p>The mission of the Counseling Department is to engage students in a process of personal growth and empowerment. We offer academic, personal and career counseling that fosters increased self-esteem and lifelong learning.</p>	<p>Spring 2012 appointments between 1/23-5/25 totaled 3190 Summer 2012 appointments between 5/28-7/27 totaled 2024 Fall 2012 appointments between 8/20-12/14 totaled 3167 Intersession drop in between 12/17-1/20/2013 totaled 2133</p> <p>Survey results from 2011 were favorable indicating a highly comfortable relationship between counseling staff and students. Data from student surveys indicate that students view the counseling sessions as highly informative. A second round of surveys was distributed fall 2013.</p> <p>The counseling staff is small but extremely committed to providing quality services to students. Bilingual speakers in Cantonese, Vietnamese and Spanish. Multicultural staff. Experienced career counselor. Proven positive and effective relationship with student body. Cooperative and collaborative relationship with instructional faculty.</p> <p>Counselors will seek to add a department meeting during flex days in order to strategize and prepare jointly for the new semester.</p> <p>Counselors will endeavor to collaborate with instruction to implement academic advising that will occur in various forms to include efficient referral, information interviews, career fairs, etc.</p> <p>More counseling classes have been added to the schedule which will provide in depth information and services to students which also will negate in many instances the need to see a counselor.</p>	<p>The current ration of counselor to student is approximately 1:2000. An acceptable ration would be 1:900. The numbers speak for themselves.</p> <p>We have hired three contract counselors within the last 18 months which inches us closer to an acceptable counselor student ration.</p> <p>Increased full and part time faculty will allow for more comprehensive counseling services and participation in the development of creative programs</p> <p>Ratio of full time counselors to student population. Ratio of full time counselors to student body population. Shortage of office space; currently, there is not enough office space to bring on new hires and/or to house adjunct counselors.</p> <p>Office space; we do not have enough offices to accommodate our staff. Storage space is also a problem. There is no space to house case management files such as PACE files. The current space to store transcripts, copies, hard copies in general is bursting at the seams and is highly disorganized.</p> <p>Counselors will be developing more informative videos for student viewing while waiting in the reception area. It is hoped that such information will reduce the need for students to wait long periods of time for simplistic information.</p> <p>Counselors will attend instructional departmental meetings and vice versa to stay abreast of program nuances, changes, important information, etc.</p>	<p>Personnel</p> <p>The counseling department will be hiring two contract counselors to start January 2014. Additionally, plans are being discussed to bring on more adjunct faculty.</p> <p>1.0 Staff Assistant will be hired to assist with administrative needs.</p> <p>Technology</p> <p>Ten (10) panic buttons</p> <p>Facilities</p> <p>Office space to accommodate staff and storage.</p>

<p>DSPS</p>	<p>The mission of Disabled Students Programs and Services (DSPS) is to provide services, specialized instruction, and educational accommodations to students with disabilities so that they can participate as fully and benefit as equitably from the college experience as their non-disabled peers. DSPS seeks to work with the entire campus community in order to provide reasonable accommodations for students with disabilities, and to be in compliance with the Americans with Disabilities Act and the Rehabilitation Act of 1973, Section 504.</p>	<p>DSPS student success rates for are equal to or higher than non-DSPS students.</p> <p>According to the PCCD Office of Institutional Research, the Fall 2012 to Spring 2013 persistence rate was 84%, a rate higher than those of BCC's sister campuses for the same time period.</p> <p>In May of 2013, DSPS had its annual Advisory Committee meeting. Some of the feedback from the members included DSPS doing more outreach to those community groups or agencies which support people with disabilities, and finding ways to improve the program's technology to support DSPS students.</p>	<p>Serve students with disabilities in-person or online by enhancing and updating the DSPS website, to include updated DSPS student and BCC faculty handbooks.</p> <p>Provide DSPS students with disability related and academic counseling to assist with accessing the programs and services available at BCC;</p> <p>Strengthen the network between DSPS and local agencies that serve people with disabilities: DOR, Center for Accessible Technology, and UC Berkeley's College Internship Program. Designate an assistive technology (AT) lab to serve the increasing demand by DSPS students who use such technologies to access and complete their coursework;</p> <p>Train students in the use of assistive technologies to improve their academic success.</p> <p>. This position would be vital to addressing ongoing office coverage and other staffing issues.</p>	<p>Personnel</p> <p>1.0 Coordinator/Counselor (hiring in progress)</p> <p>1.0 Staff Assistant (back fill)</p> <p>1.0 Instructional Assistant for test accommodations and other duties</p> <p>1.0 Instructional Assistant to support an Assistive Technology (AT) lab</p> <p>Facilities</p> <p>Larger space for the Alternate Media Office</p> <p>Identified space for an Assistive Technology Lab</p> <p>Dedicated space for accommodated testing.</p> <p>Technology</p> <p><u>Software</u></p> <p>JAWS version 14 (a screen reader for blind students)</p> <p>ZoomText version 10 (screen magnification for low-vision students)</p> <p>MAGic version (screen</p>

			<p>The lack of physical space for test accommodations, alt media operations, and for student use of assistive technologies is a big challenge for the program. Another weakness is the lack of resources needed for personnel, equipment, and for updating assistive technologies. These weaknesses may eventually affect the, retention, persistence, and the success of DSPS students.</p> <p>With additional funding there is an opportunity for DSPS to develop special classes (and generate FTEs).full-time staff assistant to support major functions of the program’s administration. <p>EOPS/ CARE</p>	<p>The mission of the Extended Opportunity Programs and Services at Berkeley City College is to provide financial and academic support to students whose educational and socioeconomic backgrounds may prevent them from successfully attending college. EOPS provides students with services including orientation, early registration, specialized counseling, academic planning, career guidance, academic progress monitoring, basic skills instruction, tutoring, book grants, transfer assistance, and special cultural awareness activities.</p> <p>The mission of Cooperative Agencies Resources for Education (CARE), a supplemental program to EOPS, is to provide financial assistance to students who are single heads of household with dependent children. CARE students receive supplemental counseling and advisement services; assistance with child care and transportation, textbooks and school supplies; programs, workshops, activities or classes to enhance personal development parenting or study skills; group support; peer networking; and information and referrals to campus and community based human services programs.</p>	<p>EOPS has served an average of 300 students over the last three years, while State allocations funded only an average of 110 students. CARE program served an average 30 students during the same period.</p> <p>EOPS students constitute 13% of BCC's full-time population and 5% of all matriculating student population.</p> <p>In the last three years, an average of 20 EOPS/CARE students received Associated Degrees and Certificates.</p> <p>Between the academic years 2011-2013, an average of 11 EOPS/CARE students transferred to the University of California system, and about 9 EOPS/CARE students transferred to the California State University system and 3 transferred to Private and out-of-state colleges and universities.</p> <p>Over the last three years an average of 7 EOPS/CARE students received scholarships from BCC, Peralta District, and local community.</p>	<p>Budget cuts to the EOPS/CARE programs over the last four years reduced services and program provided to students in the following areas: book voucher amount, outreach/recruitment services, counseling, transportation grant and educational supplies for students. These services and programs have major impact of students' academic success and program retention rates.</p> <p>Academic achievement- currently BCC EOPS/CARE success and retention rates are slightly lowered than EOPS programs at the sister colleges. Counseling and tutoring services are needed to increase efforts to ensure students successful completion of their courses and utilization of tutorial and mentor services.</p> <p>CARE students experience great delay from the county to provide current "Notice of Action" forms for each semester. This leads to delay in providing service at timely manner.</p> <p>Extensive follow-up is needed to ensure EOPS/CARE students comply with the EOPS program requirements and regulations.</p> <p>Some EOPS/CARE students do not regularly check their Peralta email account or do not have access to a computer/internet at home, making correspondence difficult, such as counseling appointments reminders.</p> <p>Need additional staff to assist with development of programs such as, mentoring, single parent groups, African American and Latino Male Retention Group, and EOPS/CARE campus engagement group.</p> <p>Students have expressed great need for the computer lab to remain open after standard business hours (8:00am – 5:00pm). However, the limited staffing and lack of funding restricts the number of hours the EOPS/CARE computer lab can be open to serve students, especially during evening.</p> <p>Establish dates and times for monthly Staff meetings.</p> <p>Organize a follow-up of Peralta EOPS Student Success Strategies Forum (PESSSF) to share best-practices across the sister colleges, establish a more comprehensive communication system, and develop programs to engage EOPS/CARE students in campus programs.</p> <p>Continuous collaboration with Assessment/Orientation, Financial Aid and Admission and Record departments, will assist with informing students of SB1456 requirements.</p> <p>Increase collaboration with In-and-Out-reach, Student Ambassador, Student Activities and Campus Life for recruitment efficiency.</p> <p>Implement use of online scheduling/appointment system.</p>	<p>Personnel</p> <p>1.0 Counselor funded by EOPS/CARE effective Spring 2014</p> <p>1.0 EOPS Clerical Assistant effective Fall 2013</p> <p>.5 Classified Outreach Specialist</p> <p>Two peer tutors to provide extended basic Math and English tutorial services</p> <p>Federal work study student to assist with data collection</p> <p>Technology</p> <p>Laptop for maintaining program documents when traveling</p> <p>Bar-code scanner and data storage software for book-loan program</p> <p>Fax Machine</p> <p>Facilities</p> <p>Additional storage room to store old student files, outdated textbooks from the EOPS/CARE Book Loan program, large supplies and equipment.</p>

<p>Financial Aid</p>	<p>Students are Very Important People (V.I.P.): Berkeley City College Student Financial Services conducts its business per the philosophy that each student who comes through our front door is a V.I.P. and we aim to treat each student in a respectful, caring, and efficient manner. Our service reflects the mission of the college, in that we are committed to our students' success by providing those who meet federal, state, and institutional requirements the financial means to help defray their educational costs. By playing a vital role in our students' retention and completion, we are likewise supporting our students' transformation to become productive, valuable, contributing members of our rich, thriving, multi-cultural community.</p>	<p>Strength of the Financial Aid Department is our separate behind-the-scene space devoted to processing our paperwork and handling the intricate details involved with obtaining our funds from the federal and state agencies and meeting our reporting requirements to these same funding sources. By being able to focus on the paperwork and data entry/receiving operations with no student interference/distractions, this part of our operation has become much more efficient, and less prone to errors than ever before. Being more efficient, we are better able to serve our V.I.P.</p> <p>Compared to the 2011-12 academic year, the total number of Pell grant recipients and the total Pell awarded amount increased in the 2012-13 academic year</p> <p>For the 2012-2013 academic year, we had a total of 1,576 processed students; so far we have 1,101 processed students. This suggests that by the end of the current semester we will have more processed students because we are continuously working on disbursing student awards.</p>	<p>We currently use two separate computer software systems to complete financial aid files. This requires manually printing out documents and hands-on reviewing of students' files. In addition, students must visit our front counter to find out the status of their file instead of being able to access the information through their Passport account. The lack of an automatic system such as automatic phone calls, electronic imaging system cost impacts on both staff and students since it slows down the process. We need a bigger office space, supplies and file storage, computer room for FA workshops and a better front counter set up area.</p> <p>The district is in the process of acquiring new software that is compatible with our current PeopleSoft/Prompt system in order to automate our processing procedures. Our campus is located in the heart of the City of Berkeley and is easily accessed by several different types of public transportation. Our location affords students a high level of ease to access our campus, especially students with disabilities.</p> <p>Our limitations are in the areas of space. The current physical front desk set-up does not address the issue of students standing in line. During peak enrollment we experience a "bottleneck" phenomenon due to the proximity to the Cashiers Office and Admission. The students have no room to line up for services and when they do the lines become enmeshed. Our staff must consistently manage the line to ensure that they do not get tangled, create a fire hazard, and allow access for wheelchairs. Front counter set up station is another area that limits our efficiency. There is distance from the financial aid counter to the main financial aid office. Our staff need to spend longer time to locate students' financial aid files and to discuss financial aid issues with specialists if needed also we need to have more temporary staff to cover the front counter to serve our students in a faster and inefficiency ways during the peak enrollment time.</p>	<p>Personnel</p> <p>Convert the part-time, 30 hour, 11 month Clerical Assistant II to full-time. One Full-time, Placement Assistant Long-term part-time hourly staff-180 day employment time</p> <p>Technology</p> <p>Electronic Imaging: computers and/or specialized hardware/software to capture (copy), store, process, manipulate, and distribute flat information' documents, (transcripts, Student Educational Plan (SEP), and educational supporting documentation) through digitization. New system: new financial aid system that enables students to check their FA status from their student accounts on Passport. Automatic phone messages remind students about important financial aid updates.</p> <p>Facilities</p> <p>A storage area, a quality filing system, the FA front counter to be located outside the FA office, a computer room to conduct the Financial Aid workshops.</p>
-----------------------------	---	--	--	---

	<p>The process of applying for Federal and State financial assistance in theory should be fairly easy for college students in general. However, the process is perceived confusing and complicated for many Berkeley City College (BCC) students who are from a disadvantaged background and who are not familiar with important information for Financial Aid application, e.g., filing income tax return on time.</p>	<p>Compared to the 2011-12 academic year, the total number of Pell grant recipients and the total Pell awarded amount increased in the 2012-13 academic year</p>	<p>policies and procedures for processing of student financial aid files in accordance with Peralta District policies.</p> <p>Create an outreach program by offering financial aid workshops to increase the awareness of eligibility for financial aid in order to increase the amount of recipients who receive the BOGFW and Pell Grants.</p> <p>Distribute the SLO surveys on the months of October, November, December, and January.</p> <p>Increase financial aid recipients by implementing a financial aid appointment system to facilitate faster completion of student files which would result in quicker disbursements for students.</p>	<p>A storage area, a quality filing system, the FA front counter to be located outside the FA office, a computer room to conduct the Financial Aid workshops.</p> <p>Equipment: Three additional monitors, three phone lines, one laptop, and three small printers.</p> <p>High Technology: <i>Electronic Imaging:</i> computers and/or specialized hardware/software to capture (copy), store, process, manipulate, and distribute 'flat information' documents, (transcripts, Student Educational Plan (SEP), and educational supporting documentation) through digitization.</p> <p><i>New system:</i> new financial aid system that enables students to check their FA status from their student account.</p> <p><i>Automatic phone messages:</i> to remind students about important financial aid updates.</p>
<p>Health Services</p>	<p>The mission of Health Services in the Peralta Community College District is to further the equality of the educational opportunity and success for all students by</p>	<p>BCC</p> <p>-received on-site personal counseling two days a week</p>	<p>To begin to offer health services to BCC students similar to the existing services on other campuses, BCC will continue to identify partners, apply grants,</p>	<p>Adequate personnel, space, and facility will have to be identified and developed to offer health services on campus.</p>

	<p>providing access to health services which promote the physical, emotional, social and spiritual well-being of its students. Health Services is a centralized service.</p> <p>There has no comprehensive health services delivered at BCC. <p>In- and Outreach/Student Ambassadors</p>	<p>The mission of Community Outreach/In-reach Services is to have a presence on campus at BCC, and as well in the local community, including schools and community organizations. The main goal for the on campus presence is to assist prospective and current BCC students in receiving necessary information through Passport, website, and in-person. The involvement in the community is one of ensuring that persons of all ages and backgrounds have a clear understanding of all the growth and learning possibilities that exist at Berkeley City College. Furthermore the goal of the Student Ambassador Program is to create an atmosphere where students feel that the college is a place they can readily turn to</p>	<p>Redirect the focus from outreach to in-reach to support access, equity, and success.</p> <p>Playing a vital role in assisting students with entry services, e.g., admissions and records, especially during peak registration period.</p> <p>Connecting BCC with the local communities.</p> <p>Receiving positive feedback from SLO assessment from the users and student ambassadors about the services and experiences.</p>	<p>Establishing a comprehensive community outreach/in-reach program to all feeder locations.</p> <p>Establishing a set data base for community outreach/in-reach locations and populations within these locations.</p> <p>Creating a data file tracking the impact of outreach/in-reach activities</p> <p>Develop and implement an intensive Student Ambassador Training.</p>	<p>Personnel</p> <p>One .5 FTE clerical assistant to support record and document processing</p> <p>Budget</p> <p>A regular and steady operating budget for Student Ambassadors</p>

Student Activities	<p>The Mission of the Office of Student Activities is to provide and support quality student life services with an appreciation for diversity by empowering students to achieve their academic, career, and personal goals through the promotion of opportunities and experiences beyond the classroom that encourage learning and student success student life on campus.</p>	<p>A full-time director was hired in August of 2013 to supervise and advise the ASBCC, ICC, Campus Activities and conduct Out, In-reach. A full-time clerical assistant was also hired in October of 2013 to provide support to the Office of Campus Life.</p> <p>BCC Outreach and Student Ambassador Program has been cited nationwide, and by the ACCJC Accrediting Team, as an exemplary program.</p> <p>In recent years, both the number of student ambassadors and the number of the community events and K-12 schools have been increased significantly.</p>	<p>Action Plan for Continuous Improvement</p> <p>Additional Planned Educational Activities Towards FTES, Student Success, Persistence, and Completion</p> <p>Meet District FTES Target for AY2013-2014 of 18,830</p> <p>Increase Student Success</p> <p>Increase Persistence</p> <p>Increase College Completion</p>	<p>Personnel</p> <p>.5 Outreach Specialist</p> <p>.5 Clerical Assistant</p> <p>20 Student Ambassadors/Student Workers</p> <p>Facilities</p> <p>To better acclimate students at the South Campus, a Student Lounge/ICC Meeting area is needed to expand Campus Life services to all students.</p> <p>There is a need to provide the campus with BCC swag. <p>Transfer and Career Information Center</p>	<p>The mission and purpose of the TCIC is to facilitate a student’s transition to work following the completion of a Certificate or Associate of Arts Degree by providing information about the diversity of work opportunities available. The Center also helps students in the process of transferring to bachelor’s degree program by providing print and on-line resources to assist students to identify a career, a major, and a transfer college, and by providing resources and activities to complete the transfer process. A primary mandate of the Center (Title 5 regulations for Transfer Centers) is to support underrepresented students to identify strategies and resources necessary to realize their transfer and career goal.</p>	<p>The center serves on average 15-20 students daily, including contact via phone and email as well as students seen on drop-in and by appointment. Approximately 1900 students served annually.</p> <p>BCC had the highest acceptance rate (63%) of California community college applicants admitted to UC Berkeley in 2013-14; this figure far surpassed the statewide admission average of 24%. Six Veteran students transferred to UCs (5 to UC Berkeley, 1 to UC San Diego) and 1 to Stanford; and 6 to CSUs; a 50% increase of Veteran transfers from the previous academic year. Ten TRiO (8% of participants) transferred, including 2 to UC Berkeley, 1 to Mills College, 5 to SFSU, and 2 to CSU East Bay.</p> <p>There is a 30 minute video of the Transfer Basics workshop posted on the center website that the M Mart department produced, and is enabled for closed captioning.
