SLO's

Our Student Services SLO's are 100% in compliance and will be constantly refined and improved.

Grant Applications

Dr. Chen has been working on a Veterans Grant. The grant proposal includes working with the homeless Veterans in the community. The grant is for \$300k a year.

Area report

DSPS: They need a counselor who can do SEP's for their students. The part-time counselor now currently does not know how to do this.

Financial Aid: Loan had a baby girl named Jennifer. There are going to be some federal changes for the 2012-13 year. Beginning this Fall 2012 semester students will be required now to have either a GED or High School diploma in order to get financial aid. They will be required to bring in proof of this. There will be some layoffs and bumping of staff. Ada Clark will be returning back to BCC's Financial Aid office.

EOPS/CARE/CalWORKs: May asked to have EOPS student assist with Ambassadors in the welcome center. CalWORKs students need to be financial aid students. There are problems with them getting priority enrollment.

A & R: Loretta will send out the priority enrollment dates.

TRIO: They will be taking a field trip to UC Davis on April 13th.
