

## **Home Care Provider I (HCP I)– FT / PT**

Homebridge – San Francisco, CA

Salary: **\$17 / hour** (+ benefits)

Start Date: July 2018

HCP I is an entry-level caregiver position with Homebridge. An HCP I is expected to complete our nationally recognized training program for new caregivers during the first two weeks of employment. Afterward, they will begin working directly with Homebridge clients to provide exceptional home care services including domestic care, personal care, accompaniment, and paramedical services.

Successful candidates will have: six (6) months of paid *or unpaid* caregiver experience; compassion and a desire to help others; excellent time management and communication skills; a demonstrated understanding of the communities and environments in which Homebridge works.

**To apply:** submit an application online at [www.homebridgeca.org/careers](http://www.homebridgeca.org/careers) or email resumes and cover letters to [amaitland@homebridgeca.org](mailto:amaitland@homebridgeca.org).
