

Safari is Hiring!

Remote Jobs and Career Training!

Apply to join our program before April 1st for a free resume upgrade!

Safari matches job and internship seekers with (free!) insurance training and job placements. All candidates are matched with freelance (\$17+/hour) remote or full-time (\$20+/hour) remote jobs upon completing our 4-6 week paid training program.

Safari graduates receive ongoing training after the program to pursue promotions and higher-income roles with salaries beginning at \$70K. Graduates can also start their own remote insurance agency to earn additional income with assistance from Safari!

Join Safari on our mission to financially protect our community members, their businesses and their families.

U.S. military veterans and diverse candidates are strongly encouraged to apply!

Minimum degree requirement: High school or equivalent!
