

Dr. Rowena Tomaneng, President

Welcome to Berkeley City College!

The faculty, staff, and administration are your advocates. Your aspirations are important to us and we hope that you lean on us at every step along your way. We know that the road you will be traveling may sometimes appear intimidating, but our goal is to take away any nervousness you may have and ensure you that you can do it! Let us help you navigate barriers and guide you to resources at your disposal such as the California Promise, First Year Experience Programs, Extended Opportunity Program and Services (EOPS), or a multitude of other programs and services. Let this be the beginning of your best life experience!

With this schedule you are ready to be off and running in the upcoming semester. Use this document as a guide for where you want to go on your academic journey. I hope you find the thought and care that went into creating this document to be beneficial to your academic plan and reflects that we are here to support you.

If I can offer any advice, get organized by planning your academic pathway. Not sure where to begin? Take advantage of our One-Stop counseling service to answer your questions and get advice on the best approach to pursuing your goals. We want you to find the courses that will allow you to add to your tool belt with the understanding that higher education is not only knowledge, but personal transformation.

Thank you for choosing Berkeley City College as your foundation for higher education.

In community spirit,

Rowena Tomaneng, Ed.D.
President

Admissions Information

Who May Register?

All persons 18 years of age or older are eligible for admissions as a California resident or nonresident. Anyone under 18 years of age who is a high school graduate or has been awarded a GED or California High School Proficiency Certificate may also enroll.

Unless expressly exempted, or entitled to a waiver, all students enrolling for college credit must pay the enrollment fee.

Adding A Class

If a class is open, students can enroll online or in the Admissions and Records Office at any campus. If a class is closed, students can add their name to the wait list prior to the first day of class. After the first day, instructors will issue a permission number or sign an Add card if space is available. Students who are present and on the wait list will be given first priority. Students who do not attend the first class may be dropped by the instructor.

The last day to add summer session classes is June 24, 2019 and the last day to add regular session classes is September 2, 2019.

Dropping A Class

It is the student's responsibility to drop classes that they do not wish to attend. Students can drop classes online or in the Admissions and Records Office on campus. Students will be charged for classes not dropped by **September 2, 2019** (the last day to drop regular session classes and receive a refund). However, instructors may drop students for non attendance during the first week of classes.

PASS/NO PASS Option

Step 1: Check the college catalog to see if your class is eligible for P/NP grading.

Step 2: Go to your Passport Student Center to choose P/NP on or before **February 8** for regular session classes.

Residence Requirements

A person must have lived continuously in California for **at least one year** immediately preceding the residence determination date to be considered a resident for tuition purposes. Evidence must also be provided to indicate that the person has intent to make California his/her permanent home.

A student must be a U.S. citizen or hold a U.S. immigration status that does not prevent establishment of residency.

Evidence of residency must include one of the following:

- A valid California ID or driver's license
- California state income tax return for the previous year
- Receipt for payment of residential property tax
- Rental or lease agreement showing continuous occupancy in a California property
- Active military ID card

Nonresident Tuition Exemption

A student is exempt from paying nonresident tuition if the student

meets all of the following four requirements:

1. Must have attended a combination of California high school, adult school, and California community college for the equivalent of three years or more, **or** attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years, **and**
2. Must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam), **or** completed an associate degree from a California Community College, **or** completed the minimum requirements at a California Community College for transfer to the California State University or the University of California, **and**
3. Must register as an entering student at, or current enrollment at, an accredited institution of higher education in California, **and**
4. Must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.

Concurrent/Dual Enrollment/ High School/Other Students

In accordance with California Education Code, section 76001, high school students may enroll as special part-time students. Enrollment must be recommended by their principal, with parental consent. Units earned will be granted as college credit. The high school may grant high school credit for courses taken from the Peralta Colleges.

The student must follow all of the regulations and policies of the college, including adhering to assessment and any prerequisite requirements. A high school student whose high school counselor recommends that the student enroll in more than six units must have the approval of the Vice President of Student Services at the college of enrollment.

All California community college fees will be waived for special part time high school students. However, full-time (enrolled in more than 11 units) concurrently enrolled high school students are subject to pay tuition fees and all other fees.

Military Residence Exemption

Nonresident U.S. military personnel and on active duty in California (except those assigned for educational purposes to state supported institutions of higher education) and their dependents are granted a waiver of Nonresident Tuition until they are discharged from the military service.

International Students

Special regulations govern the admission of international students. These students should contact the Office of International Education for applications and admissions at (510) 466-7380, or FAX (510) 465-3257. The office is located at the Peralta Community College District 333 E. 8th Street, Oakland, CA 94606.

COMMON ENROLLMENT ISSUES

HOLDS

STEPS TO CHECK HOLDS

- Go to your "Student Center"
- Review the "Hold Section" on the right side of the student center page.
- Click on the "details" link in the holds section to review how to clear the hold.

ERROR MESSAGES

STEPS TO REMEDY ENROLLMENT ERROR MESSAGES

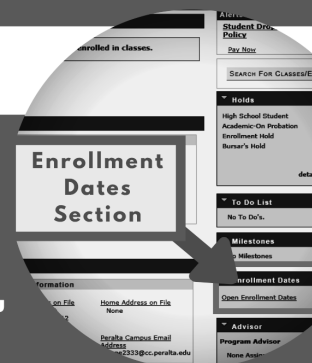

1. CHECK ENROLLMENT APPOINTMENT DATE

- Review the "Enrollment Dates" section on the right side of your student center.
- If you have been assigned an enrollment appointment, a specific date will appear in this section. You may enroll beginning on this date.
- If you only see "Open Enrollment Dates," this means you have not been assigned an enrollment appointment. You may enroll once open enrollment begins. Click the link to review open enrollment dates.

Enrollment Error Message

- This error message indicates either:
1. Enrollment appointment has not yet started OR
 2. Discontinued Status

2. DISCONTINUED STATUS

Discontinue Status means you have not attended one of the Peralta Colleges within the last two main semesters and you will need to submit a new OpenCCC/CCCApply application to enroll in classes.

<http://web.peralta.edu/admissions/apply/>

OpenCCC/CCCApply Application Issues:

If you submitted a new application more than 48 hours ago and still receive enrollment error message, contact reset@peralta.edu (include your full name, OpenCCC/CCCApply confirmation number, and if applicable, your student ID)

Financial Aid is now available to AB 540 students **The California Dream Act**

What is the California Dream Act?

The California Dream Act is comprised of two state laws, AB 130 and AB 131, that allow AB 540 students to apply for and receive several types of financial aid, including:

- California College Promise Grant (formerly BOG Waiver)
- State financial aids such as Cal Grants, Chafee Grant, and Student Success Completion Grant (SSCG)
- Assistance from EOPS, CARE or CalWORKs
- Privately-funded scholarships

Check with your campus financial aid, scholarship, EOPS/CARE and CalWORKs offices to see what is available.

What is an AB 540 student?

AB 540 allows non-resident students who meet certain qualifications to exempt from paying non-resident enrollment fees. These students may include undocumented students, students who are US citizens but who are not California residents, and dependent students whose parents are not California residents. AB 540 students are those who:

- Have attended a CA high school for a minimum of three years; **or**
- Attainment of credits in California from a California high school equivalent of at least three or more years of full-time high school coursework and a total of three or more years of attendance in California elementary schools, California secondary schools, or a combination of those schools.
- Graduated or will graduate from a California high school or attainment of General Education Development (GED), High School Equivalency Test (HiSET), or Test Assessing Secondary Completion (TASC), **and**
- Will register or enroll in an accredited and qualifying California college or university

AND

- If required, complete an affidavit saying they have filed (or will file when they are eligible to do so) for legal immigration status.

What My Next Step?

- If you are AB540 eligible, visit <https://dream.csac.ca.gov/> to apply for financial aid
- For Cal Grant eligibility: Your college GPA verification form needs to be submitted to California Student Aid Commission (CSAC) by **March 2 and September 2, 2019**. For more information on GPA requirements, visit <https://www.csac.ca.gov/student-forms-0>
- To ensure that your GPA Verification is electronically submitted, visit Admissions & Records Office at your home college to update your SSN to 999-99-9999
- For high school GPA verification, you must check in with your high school

Fee Information

training program.

California Community College Enrollment Fee

All students are required to pay a California Community College Enrollment Fee. This fee will be collected at the time of enrollment into classes and shall be \$46 per unit for the semester. **Enrollment fees are subject to legislative changes throughout the year. Contained within the current state budget mid-year enrollment fee increases may be enacted should state revenues fall below estimates. Students will be advised on any implementation of fee increases prior to the fees taking effect.**

Campus Center Use Fee

In addition to the California Community College Enrollment Fee, there will be a Campus Center Use Fee of \$2 per semester, per campus (excluding off campus locations), to be collected at the time of enrollment.

Non-Resident Tuition

Students who are not residents of California for one year and one day prior to the first day of the term, or do not qualify for nonresident status known as "AB540," will be charged nonresident tuition. Nonresident tuition is charged at the rate of \$258 per semester unit plus the \$46 per unit California Community College Enrollment fee totaling, \$311 per semester unit. Additionally a \$2 per semester, per campus Campus Center Use fee will be charged.

Capital Outlay Fee

Nonresident students of the State of California will be charged a Nonresident Capital Outlay Fee, in addition to the Nonresident Tuition, California Community College Enrollment Fee, and the Campus Center Use Fee. The Nonresident Capital Outlay Fee is \$7 per semester unit.

AC Transit EasyPass Fee

All students enrolled in 6 or more units are required to pay an AC Transit EasyPass fee of \$42.79 per semester. This fee will be collected at the time of enrollment. With EasyPass, you can ride all AC Transit bus lines, including local and Transbay service, at all times. Plus, you save over 94% off the local rate and 96% off Transbay service. **Please note: This fee is non-refundable unless you drop below 6 units on or before the last day to drop regular session credit classes and receive a refund or if you have a documented medical/disability that precludes you from using this service. (Document required)**

Student Representation Fee

Under Education Code §76060.5, each college Student Body within Peralta CCD elected to establish a Student Representation Fee of \$2 per college, per semester for each student. This fee will provide support for students or representatives who present college positions and viewpoints before city, county, district governments, and offices and agencies of the state and federal governments. Students will be charged this fee unless a Student Representation Fee waiver form is submitted to the college Bursar's Office before the last day of the semester charged.

Health Fee

All students are required to pay the Student Health fee of \$18 per semester for Fall and Spring semesters (\$15 for Summer session). This fee will be collected at the time of enrollment. The Health fee is subject to change as allowed by the State Legislature. NOTE: Students who qualify in the following categories will be exempted from payment of the health fee.

1. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization (documentation required).
2. Students who are attending college under an approved apprenticeship

International Health Insurance Fee

All F-1 international students will be automatically enrolled in the mandatory health insurance program through GeoBlue. Fees will be automatically applied in the student's Passport Student Center. For questions or waiver information please visit our office or international website at web.peralta.edu/international.

Instructional and other Material Fees

The policy of the Peralta Community College District that students may be required to provide instructional and other materials necessary for a credit or non-credit course provided such materials are of continuing value to the student outside the classroom setting and provided such materials are not solely or exclusively available from the district. Except as specifically authorized under the Education Code, students will not be required to pay a fee for any instructional or other materials required for a credit or non-credit course. Required materials are defined as those which a student must procure or possess as a condition of registration, enrollment or entry into a class, or any such materials which are necessary to achieve those required course objectives.

Transcript Request

Peralta Community College District has retained Credentials, Inc. to accept transcript orders online through their secured site. You must pay transcript fees at the time you submit your request. The first two transcripts requested are free; thereafter, \$6 per copy for regular service, mailed within 7 - 10 business days and \$12 per copy for rush service, mailed within 3 - 5 business days. See website for other expedited delivery options.

Online Credit Card Payment Option

Students are encouraged to pay enrollment fees and past due fees by credit card on the secure Peralta website at <http://passport.peralta.edu>.

Financial Aid

Each of our colleges has a full service Financial Aid Office. For information regarding your specific Financial Aid need, contact the Financial Aid Office at the campus you are most likely to attend.

- Berkeley City College: (510) 981-2807
- College of Alameda: (510) 748-2391
- Laney College: (510) 464-3414
- Merritt College: (510) 436-2465

Installment Payment Plans

Students in the Peralta Community College District may opt to pay their non-resident tuition or enrollment fee through an installment payment plan. Students are required to pay at least the first \$25 of their enrollment fee or non-resident tuition and complete an installment payment plan prior to enrollment in classes. The payment plan will be interest free. The payment plan will include the specific amount and due date for each installment. All of the payments will be completed within the term for which the enrollment is made. Failure to make timely payments will subject the student to the penalties described in Board Policy 5035 (Students or former students who have been provided with written notice that they have failed to pay a proper financial obligation shall have grades, transcripts, diplomas, and registration privileges withheld until such time as the obligation is satisfied.) Please contact paymentplan@peralta.edu or (510) 466-7372 for more information.

Refund Information

IT IS THE STUDENT'S RESPONSIBILITY TO DROP CLASSES!

Students are expected to attend all classes in which they are enrolled. If you do not attend, or stop attending classes, and fail to personally drop by the drop deadline, you will be responsible for all tuition and fees. Not attending classes does not warrant a refund of fees. It is the student's responsibility to drop all classes which they are not attending.

For specific refund dates, please visit www.peralta.edu and search Summer/Fall Refund Drop Deadline Schedule. This includes the refund dates for Regular Session, Short-Term and Late Start Courses.

Refund Procedure for Enrollment Fees

A student who cancels their registration prior to the first day of instruction, or officially withdraws from all classes during the first two weeks of instruction, shall be entitled to a full refund less a \$10 processing fee. (This must be done whether you attend the class or not.)

If a student pays an Enrollment Fee of less than \$10, and cancels his/her registration or withdraws from all classes before the deadline, the processing fee shall equal the Enrollment Fee.

No refund of the Enrollment Fee will be made to any student who withdraws from classes after the first two weeks of instruction.

A student may request a refund up to the end of the following term in which the refund was due. After that time, the student will not be eligible for the refund.

To apply for an enrollment fee refund, file an Application for Refund Request form at the Cashier's Office on campus.

Once the request is submitted, refund processing time is 4 to 6 weeks (after last day to add classes) during peak periods and 2 to 3 weeks during off peak periods.

Refund Procedure for Non-Resident Tuition and Capital Outlay Fee

- Students will receive a full refund for any class cancelled by the college.

Regular Session Classes:

- A 100% refund of Nonresident Tuition and Capital Outlay Fee (minus a \$10 processing fee) will be made for any class in which the student withdraws through the Last Day to Drop Regular

Session Classes And Receive a Refund.

Refund Procedure for Short-Term, Late Start and Open-Entry/Open-Exit Classes

- A student enrolled in a short-term class will receive a 100% refund (minus a \$10 processing fee for residents) if he/she officially withdraws within the first 10% of the class length. No refunds will be issued after the first 10% of the class length.

Refund Procedure for Variable Unit Classes

No refund shall be made for variable units not earned by the student.

The State-mandated Enrollment Fees will be fully refunded if an action of the college (e.g. class cancellation) prevents a student from attending class. A student may, upon request, obtain a refund up to the end of the following term in which the refund was due. After that time the student will not be eligible for the refund.

Please note: Instructors may drop students who do not attend the first class meeting.

Refund Procedures for AC Transit EasyPass

This fee is non-refundable unless you drop below 6 units on or before the last day to drop regular session classes and receive a refund.

Refund Procedures for Health Fee

This fee is non-refundable unless all classes are dropped on or before the last day to drop regular session classes and receive a refund.

The Peralta Community College District participates in the State of California Chancellor's Office Tax Offset Program (COTOP). Past due accounts may be submitted to COTOP by the Peralta Community College District. This enables the State of California Franchise Tax Board to appropriately intercept any tax refunds, lottery winnings, or unclaimed property that might be owed to you.

New Multiple Measures and Placement Process.

The Student Success and Placement Office is pleased to share some very important changes in the corequisite placement process. AB 705 has changed how we place students in Math and English. With the enactment of Assembly Bill 705, students are now placed in Math and English courses based on their high school records instead of taking a placement test and having courses assigned based on that test. Now student records are reviewed with a counselor and depending on your high school level, you will be placed at your academic level.

Why this change?

According to research, high school grade average is the strongest predictor of performance in college-level coursework. Assessment tests were not the best indicator of skills and ability. The new placement process uses your high school transcript. The purpose of this method is to place you into appropriate English, Math, and ESOL courses based on information regarding your current skills in reading, writing, and mathematics.

Once students are placed into remedial course, only 16% earn a certificate or associate degree within six years

For students who do not have access to high school records and GPA, click here:
<https://assessment.cco.edu/faqs>

AB705

Now with AB705 every college is required to maximize the probability that a student will enter and complete transfer-level coursework in English and Math within a one-year timeframe. To achieve this goal, counselors now use the following measures:

- High school coursework
- High school grades
- High school grade point average

The results of the placement

Documented information provided by the student will assist and aid in the right placement into classes. The following documents can be used as multiple measures to assist you in achieving higher placement goals:

- College and or high transcripts, high school AP (with a 3 or higher) and IB (with a 6 or higher) scores.
- The counseling staff will use the multiple measures along with your high school transcript to assist you in selecting appropriate courses.

Transfer-Level Math Completion by Placement Test Results

BCC's Transfer & Career Information Center is a resource for questions you have about choosing your career, choosing a major, or selecting a transfer institution.

California college catalogs and other college resource materials are available to assist you with research and information on school and major selection. You can meet with four-year college representatives who visit BCC's campus. Check our website for the most current calendar of events.

Plan your Associate Degree, Certificate, or General Education Program

If you wish to complete an associate degree or a certificate, it is recommended that you see an academic counselor during your first semester to plan your program.

Plan to transfer into Baccalaureate degree programs at four-year universities

If you wish to transfer to a four-year college or university, meet with an academic counselor to discuss eligibility and admission requirements. Counselors will help you develop a Student Education Plan (SEP) which will outline the courses you must take to fulfill your transfer educational objective.

Transfer Curriculum for UCs and CSUs

The University of California and California State University campuses have cooperated to develop IGETC (Intersegmental General Education Transfer Curriculum). IGETC is a pattern of courses that you can use to satisfy lower division general education requirements at any UC or CSU campus. You must complete the entire pattern of courses in order to be certified.

Note: IGETC is not recommended for all majors. Please check with your counselor to plan your program. At minimum, 60 transfer units are required for admission as a transfer student. You may also visit <https://www.assist.org/web-assist/welcome.html> to view your major.

Transfer curriculum for CSUs only

If you are seeking a bachelor's degree at a California State University you must complete a 60-semester unit breadth requirement, distributed among five academic areas. Certification is provided when you complete the prescribed pattern of courses. A list of the CSU General Education breadth requirements are available from a counselor or in the Transfer Center. GE requirements are not recommended for all majors. Please check with your counselor to plan your program.

Transfer Information Online

You can access articulation agreements, general education and major preparation requirements, and other transfer information at the ASSIST website: <https://www.assist.org/web-assist/welcome.html>

Concurrent Enrollment with Four Year Colleges and Universities

BCC offers a concurrent enrollment program with the University of California, Berkeley, Mills College, and California State University, East Bay. This program provides access to these three institutions for students who might not otherwise consider them. The program allows you to take courses you need (if offered) that are not available at BCC and enables you to test your potential for success in a university/ four-year college setting. You pay the same fees for concurrent enrollment courses as you do for your BCC courses. You are not eligible for this program if you have previously attended a four-year institution or hold a bachelor's degree or equivalent from a university.

Enroll in a Berkeley City College Learning Community to Help Ensure Your College Success!

Berkeley City College's First Year Experience (FYE) Learning Community (LC) is a program that promotes and supports student success. Three unique programs are part of the FYELC where each program is supported by dedicated faculty and counselors in the classroom who emphasize social Justice, Equity, Access, and Success. Students in FYELC are enrolled in integrated discipline and counseling courses and participate in various opportunities such as field trips, organized activities, speaker series, and conferences.

Plan to transfer in two years? Not sure where to start? First Year Experience Learning Community is the answer for you!

Why should you take part in a First Year Experience Learning Community?

- Free books during your first year! Textbooks can cost you up to \$1000.00 per year. In FYELC we got you covered.
- Priority Registration – You will be the first group to register in classes! No need to be on the wait list!
- Dedicated counselors – They will be in your classes! Research has shown that one of the most critical factors to your success is having a dedicated counselor.
- Integrated classes – classes in FYELC are connected – what you learn in one class will be part of another.
- You will be exposed to various opportunities outside of classrooms such as Field trips and other activities.

If you are the first in your family to attend college, or may be the first time back to college after being away for a while, or if you are a Promise Scholarship recipient, then FYELC is definitely for you. BCC offers three unique programs to welcome you.

IGNITE

It's all about momentum. In IGNITE FYELC students learn to use their potential, network, and relationships with the instructor and counselor to reach their goals. If you are first generation college students and students from diverse backgrounds, this program is all about helping you succeed in transferring to a four-year institution in two years! Two Up! – Two Down!

PERSIST

It's about preparation. If you want to slow the roll and keep moving forward with getting ready for college, PERSIST FYELC is here for you. The American Sign Language Major

Our American Sign Language Program is a highly

acclaimed national model. It focuses on development of communication skills, understanding Deaf culture, and how cultural differences between the Deaf and hearing communities affect cross-cultural communication. Most importantly, it provides students with language skills and tools to continue learning ASL in the community and prepares them for transfer to the University of California or California State University systems. Students who have completed ASL courses at other colleges or who have experience should consult with the ASL Department staff for an evaluation. *For details, contact Iva Ikeda at (510) 356-2666, or e-mail at ikeda@peralta.edu.*

The Anthropology Major (AA-T)

The Associate in Arts Degree for Transfer in Anthropology is designed for those who plan to transfer into a communications studies major at a CSU. *For details, contact Dr. Thomas Kies at tkies@peralta.edu.*

Art Majors Including Art History (AA-T) and Studio Art (AA-T)

Our Art program provides you with a strong foundation in the terminology and principles of the visual arts, two- and three-dimensional design, and an introduction to various techniques and media. Other topics include the relationship between form and content, historical and contemporary approaches to art and art making, and personal expression. We offer a range of certificates and degrees, including an AA-T in Art History and an AA-T in Studio Art. *Contact Dr. Cora Leighton at cleighton@peralta.edu, for information.*

Biology and Biotechnology Majors Including Biology (AS-T)

Biotechnology draws from many disciplines, including genetics, immunology, and molecular biology. Recent advances have improved our understanding of biological processes that have accelerated discoveries in medicine and environmental sciences. BCC's programs integrate academic and applied instruction and prepare you for employment in a variety of technician-level careers. They also provide a solid background if you seek a higher degree.

The Biology Associate in Science Degree for Transfer (AS-T) is designed for students who plan to transfer to CSU as biology majors. You will gain exposure to the main topics of biology: cell, molecular, organismal biology, and evolution and ecology. *Call (510) 981-2887, or e-mail Dr. Barbara des Rochers at bdesrochers@peralta.edu.*

Business Majors Including Business Administration (AS-T)

If you are interested in Business, you can achieve your goals in several ways. Business Administration prepares you to transfer to a four-year school

Associate Degrees and Certificates

to study for a bachelor's degree in many business fields. Completion of our Business Administration AS-T degree guarantees transfer into the same upper division major at a California State University (CSU).

General Business can also help you transfer or it can give you a firm foundation in business theory and practice so you can begin working sooner and/or prepare to open your own business. Or it can show your current employer you are making an effort to upgrade your skills in order to contribute more to your company today and in the future.

Accounting gives detail-oriented students a transferable skill that is in high demand in business today. Office Skills for Business provides basic office skills to help you get your foot in the door for that first job. *For details, contact Chris Bernard at (510) 981-2913.*

The Chemistry Major (Analytical Chemistry) (AS/CA)

Berkeley City College offers an Associate in Science Degree or a Certificate achievement in Analytic Chemistry. The two year (four semester) chemistry program is designed to provide you with the analytical skills needed for entry level employment as a laboratory technician. At the same time, the program also prepares you for transfer to four year colleges or universities. *Contact Dr. Siraj Omar at (510) 981-2889, or somar@peralta.edu.*

The Communication Studies Major (AA-T)

The Associate in Arts for Transfer Degree in Communications Studies is designed for those who plan to transfer into a communications studies major at a CSU. *For details, contact Dr. Cora Leighton at cleighton@peralta.edu.*

The Computer Information Systems Majors (AS/CA/CP)

Computer Information Systems majors include area specializations in Applied Computer Information Systems and Web Programming, one of the most highly demanded skills in public and private sector organizations. *For information, phone (510) 981-2921, or contact Dr. Paramsothy Thananjeyan, department chair, at BCC-CISBUSECON@peralta.edu.*

The Economics Major (AA-T)

Economics provides a sequential course of study that prepares you for transfer to four-year institutions with an economics major or acquisition of economics proficiency necessary for career fields that emphasize the value of familiarity with economics or accounting. *For information, contact Christopher Barnard at BCC-CISBUSECON@peralta.edu.*

The Education Majors Including Elementary Teacher Education (AA-T)

Demand for Kindergarten to 5th grade teachers will rise rapidly in the next 10 years. Berkeley City College's new Elementary Education AA-T Degree allows you to finish your first two years of teacher preparation, then transfer to a California State University to finish your bachelor's degree. The Teacher's Aide Certificate of Achievement prepares you for work in classrooms from kindergarten to high school and adult education. *For details, contact Dr. Loretta Kane at lkane@peralta.edu.*

The English Majors Including English (AA-T)

Our English majors allow you to develop strong communications and analytical skills through a variety of literature and writing classes. The associate degrees, including an Associate in Arts Degree for Transfer (AA-T), are transferable to four-year colleges and universities. *For information, contact Jennifer Lowood at (510) 981-2912, or jlowood@peralta.edu.*

The English as a Second Language Majors (CP)

Students may earn Certificates of Proficiency in High Intermediate or Advanced English as a Second Language majors. *For information, contact Gabe Winer at (510) 981-2825, or gwiner@peralta.edu.*

The Global Studies Major (AA-T)

Our transferable global studies major prepares students for transfer to UC, CSU, and other four-year programs in Global or International Studies, Peace and Conflict Studies, area studies, such as Latin American Studies, and International Relations. The program is a stepping stone to a variety of career options in the international arena. *Contact Dr. Charlotte Lee at clee@peralta.edu.*

The History Major (AA-T)

The Associate in Arts in History for Transfer Degree is designed to prepare students for a seamless transfer with junior status and priority admission to their local CSU campus to a program or major in History or similar major for completion of a baccalaureate degree. *Contact Dr. Tim Rose at (510) 981-2983 or trose@peralta.edu.*

The Liberal Arts Majors; Certificates of Achievement in UC's IGETC and CSU's General Education Curriculum

The associate in arts degree in liberal arts is designed to fulfill lower division general education requirements. It is transferable to the University of California and California State University systems, and to private colleges. You also may earn a Certificate of Achievement in either UC's IGETC

curriculum, or in CSU's General Education Breadth curriculum, or you may earn an associate degree in liberal arts with an emphasis in social and behavioral sciences. *For more information, call (510) 981-2800 or see your counselor.*

During registration, if you try to register for a class that is full ("CLOSED"), you will be given the option to add to the wait list for that class until the wait list fills. **Remember, being on a wait list does not guarantee you a seat in a class.** If seats become available, those on the waitlist will be enrolled in the order they were added to the list.

Important: Passport will allow you to get on a wait list, however, you will not be enrolled if you have any holds, time conflicts, repeat or prerequisite errors, duplicate courses, excessive units, or any type of registration error.

FREQUENTLY ASKED QUESTIONS

Can anybody get on a wait list?

Anyone can get on a waitlist if the wait list for the class is available, but you will only be enrolled in the class if:

- you meet the class prerequisites
- the class time does not conflict with another class in which you are already enrolled
- you are not enrolled in another section of the same course
- you have no repeat errors or holds on your record
- the class units do not exceed your maximum allowed

When the daily process runs and space in the class is available, if you do not meet the criteria above you will remain on the waitlist, instead of being automatically enrolled in the class.

Who gets into a class from a wait list?

If seats become available, students will automatically be enrolled in the class in the order in which they were added to the wait list as long as there are no errors or enrollment restrictions.

How do I know if I got into a class?

If you are auto enrolled from the waitlist, you will be notified through your Peralta email account. Be sure to activate and monitor your Peralta emails during the registration period.

When do I pay for the class?

Fees will be assessed after you enroll in a class and must be paid 2 weeks before the beginning of the term. If you do not pay your fees, you may be dropped from the class for non-payment. If you add after this deadline, you are required to pay the fees immediately or a hold WILL be placed on your account and your debt will be sent to collections. *Students on a wait list should monitor their Peralta email closely for enrollment notification.*

What is the first day I can wait list?

Wait lists become available when a class reaches its enrollment capacity. Wait listed classes are displayed in the online schedule of classes with a yellow triangle icon.

What is the last day I can be added to a wait list?

You can be added to a wait list until the day before classes begin.

What prevents me from adding to a wait list?

- Enrollment appointment date/time has not yet been reached
- The last day to add to the waitlist has passed
- Class is not yet closed
- Wait list is at its capacity
- You have reached the limit for wait listed units (wait listed and enrolled units cannot exceed 10 units in summer, and 18 units in fall and spring)

Wait Lists

FREQUENTLY ASKED QUESTIONS

If an enrolled student drops a class and a seat opens up, do wait listed students get the opportunity to enroll first?

Yes. When a class is marked as closed only students from the wait list can be enrolled.

Before the first day of classes, a daily process runs to automatically enroll students from the wait list. If all wait listed students are successfully enrolled in the class and there are still seats available, the class will re-open. However, if all students from the wait list are moved to the class filling the class to capacity, the class will remain closed and the wait list will re-open.

If by the first day of class you are still on the wait list, you will need to attend the first class meeting and obtain a permission number from your instructor in order to enroll in the class.

Can I be on the wait list for more than one section of the same class?

Yes. You will be automatically enrolled in the section that becomes available first, depending on your position on the wait list for each section.

Can a student be both enrolled and wait listed for different sections of the same class?

Yes, but they cannot be enrolled in both. A student can be enrolled in the open section of a class and at the same time be on the waitlist for a different section of that same class (maybe the wait listed section was their first choice, but it has reached capacity). However, a student will not be auto enrolled in the wait listed section when a seat becomes available, even if they are eligible. In this instance, they will need to drop themselves from the section they are currently enrolled.

How will I move from the wait list into the class?

During the registration period before classes begin, you are automatically enrolled as space becomes available. After classes begin, instructors are required to issue permission numbers. You use the class permission number to enroll in the class via Passport (you must drop yourself from the wait list before using the permission number) or by going to the Admissions and Records office at the college.

Is there a limit to the number of units that can be wait listed?

Yes. Your wait listed units and enrolled units cannot exceed 10 units in summer and 18 units in fall and spring.

Are waitlisted units counted into my total units for the term?

No. Enrolled units and wait listed units are counted separately. Wait listed courses are not counted towards full-time status or calculated for fees.

Will I be charged the enrollment fee when I am added to the wait list?

No. You are only charged the appropriate fees when you are officially enrolled in the class.

How do instructors know who is on the wait list?

Class Waitlists are available to instructors through class rosters.

Can I drop myself from a wait list?

Yes. You can drop yourself from a wait list using Drop Classes in Passport.

Can I see my position on a wait list?

You can view your wait list position in your Student Center under class schedule.

How can I tell if a class has a wait list?

Wait listed classes are marked by a yellow triangle in the online schedule of classes.

Why should I apply for financial aid?

Financial aid is made available to assist students and families in meeting the costs of a post-secondary education. If you believe you will need assistance in meeting those costs, you should apply for financial aid. You can apply online at www.fafsa.ed.gov, via the mobile app at “MyStudentAid”, or at dream.csac.ca.gov (For California AB540 students)

If I am not a U.S. Citizen, am I still eligible to apply for Financial Aid?

To be eligible for both federal and state aid, a student must be a U.S. citizen or an eligible non-citizen. For financial aid purpose, an eligible non-citizen is one of the following: a U.S. permanent resident who has an Alien Registration Receipt Card (I-551); a conditional permanent resident (I-551C); or a non-citizen with an Arrival-Departure record (I-94) from the U.S. Citizenship and Immigration Services with one of the following designations—“Refugee,” “Asylum Granted,” “Parole,” or “Cuban-Haitian Entrant.”

Students who are residing in the United States with an F-1 or F-2 student visa or a G series visa are NOT eligible for federal or state financial aid.

How do I get financial aid?

To receive financial aid you must apply for it. The biggest mistake students make is not to apply because they don't think they'll qualify. Therefore, everyone should apply. To apply for federal, state, and college financial aid programs, you need to complete the FAFSA or Dream Act application. For the Cal Grant program, you must submit a GPA verification form from **March 2 and September 2, 2019**. You may also be requested to submit additional documents such as IRS tax transcripts to complete your financial aid file. Please respond immediately to all requests made by the financial aid office.

Do I need to complete my income tax return before I complete the Financial Aid Application?

While it is recommended that you complete your tax return prior to filling out your FAFSA or Dream Act, it is not essential. You can fill out the Financial Aid application using estimated information from your W-2. Any large discrepancies between your aid application and your tax return may have a large impact on any preliminary financial aid award you receive.

What happens if I have academic or other problems and have to drop classes or drop out of college entirely?

If you receive aid and then drop units or withdraw prior to the end of the semester, you may be required to repay a portion of the funds. The repayment amount will be determined after the add/drop period has ended. Students that are required to repay will be required to do so before being allowed to enroll or requesting official transcripts.

What is Satisfactory Academic Progress (SAP)?

Students who have applied for financial aid enter into an agreement to attend class and complete courses with a passing grade. Failure to complete required units, meet the minimum cumulative GPA requirement or exceed the maximum unit limit will result in disqualification from receiving further Financial Aid. For more information please visit <http://web.peralta.edu/financial-aid/sap/>

Financial Aid

FREQUENTLY ASKED QUESTIONS

Do I have to reapply for financial aid every year?

Yes. The FAFSA Application is available as of **October 1st** of each school year, and ends **June 30th**. Make sure you include our school codes: Berkeley City College (014311), College of Alameda (006720), Laney College (001266) and Merritt College (001267)

Is there a limit to how much financial aid I can receive?

Yes. Effective with the 2012 - 2013 award year, the duration of a student's eligibility to receive a Federal Pell Grant is limited to 600% lifetime or its equivalent to 12 full-time semesters. Calculation of the duration of a student's eligibility includes all years of the student's receipt of Federal Pell Grant funding. Once a student has received a Federal Pell Grant for 12 full-time semesters (or its equivalent) the student will no longer be eligible for further Federal Pell Grants.

How is my financial aid disbursed?

Financial Aid funds are disbursed through BankMobile. Your financial aid will be used to pay off current aid year charges on your Passport account. If there are any remaining funds that exceed these charges on your Passport account at the time of disbursement, you will receive a refund of the excess amount which you may use to pay other educationally related expenses.

The Peralta Community College District partners with Bank Mobile, a financial services company which provides refund methods for students to receive financial aid disbursements. Students who have completed a FASFA or Dream Act Application and enrolled in courses will be sent a Bank Mobile® personal code to their mailing address. Student must activate the code and choose a refund method of their choice - opening an account with Bank Mobile or an ACH transfer into a bank account of their choice. Failure to activate your Bank Mobile account and choose a refund method may result in possible delays in financial aid disbursements.

METHOD C

(Available only by filing 2019-2020 FAFSA or CA Dream Act)

Note: Students not qualified by Method B income standards must file a FAFSA in order to demonstrate the need to qualify for a California College Promise Grant waiver.

If you have special circumstances where you cannot fill out a FAFSA to obtain a California College Promise Grant Enrollment Fee Waiver, please stop by the Financial Aid Office for other possible options.

New Regulation: Students who apply via the FAFSA for Dream Act must demonstrate need in excess of the average cost of tuition of \$1104 for 2019-2020.

NOTE:

Loss of Entitlement for California Promise Grant

Students who do not maintain minimum academic and/or progress* standards for two consecutive primary semesters will be subject to loss of eligibility for the California College Promise Grant. Registered Foster Youth are exempted from this requirement.

* 50% Completion rate and cumulative GPA above 2.0

Prerequisite/Corequisite Policy and Procedures

Prerequisites

Some courses have prerequisites: faculty have determined that students are highly unlikely to succeed in these courses unless they have acquired a certain level of skills or knowledge, usually through taking another course beforehand. The prerequisites for each course are listed in the class schedule.

When you attempt to enroll online in a course with a prerequisite, the system checks your academic records for evidence that you have taken or are taking the prerequisites at one of the Peralta Colleges.

1. If you have taken the prerequisites at a Peralta College after 1987 and have received a grade of C or better in it, you are allowed to enroll.
2. If you are currently taking the prerequisites, you are allowed to enroll conditionally until your grade is received. If your grade in the prerequisites is below a C, you will be automatically dropped from the higher level course. You will be informed of this by Peralta email.
3. If you have met the prerequisites through a course taken at another college, you will need to submit proof to the counseling department.
4. If you feel the prerequisite has been met through assessment at another institution, and you have either your scores and placement recommendations or a transcript showing the courses you assessed into and enrolled in, or through other means, (this is referred to as "Multiple Measure Assessment" in the class schedule), please see a counselor. The counselor will look at your test scores and discuss your preparation for the course. If the counselor determines that you have met the prerequisites, he/she will clear you for the course and you will be allowed to enroll.
5. If you feel that you have met the prerequisites through your life experience, or you believe that the prerequisites are unnecessary or unlawful, go to the admissions office to complete and sign a Petition for Prerequisite Challenge. You will immediately be cleared to enroll, pending review of your petition by faculty. If your challenge is approved, you will remain in the class. If your petition is denied, you will be dropped from the class. You will be informed of this by phone. Challenge petitions must be approved or denied within five working days of the day they were filed. If your petition is not reviewed within five working days, you will remain in the class.

Corequisites

Some courses have corequisites: faculty have determined that students are highly unlikely to succeed in these courses unless they enroll in the corequisite course at the same time. The corequisites for each course are listed in the class schedule.

If you enroll in a course with a co-requisite, make sure to enroll in the corequisite course as well. (If you have previously taken the corequisite course and obtained a grade of C or better, you don't need to enroll in it again).

Open Classes

It is the policy of the Peralta Community College District that, unless specifically exempted by statute, every course, course section or class, the average attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully opened to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

Student Study Load

In order to complete an Associate in Arts or Associate in Science degree at one of the Peralta Colleges in two years, an average unit load of 15 units per term is often necessary. Students may not carry more than 18 units (including a combined total of all Peralta Colleges) without prior approval of a counselor. Counselor approval is required for excess units up to 21.5 units. Enrollment in 22 to 25 units requires approval of the Dean of Student Support Services. Under no circumstances will approval be granted beyond 25 units. The maximum number of units for the Summer Session is ten (10). For college purposes, a full-time student is one who is carrying 12 or more units. Students are not permitted to enroll in classes with conflicting or overlapping meeting times.

College/District Policies

For complete list of Board Policies, go to <http://web.peralta.edu/trustees/board-policies/>

Board Policy 3410 Nondiscrimination

The District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, sex or gender, race or ethnicity, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy or because they are perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community or persons using the services of the district can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, sex or gender, race, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, active duty military and/or Veteran status or because they are perceived to have one or more of the foregoing characteristics, or because of they are association with a person or group with one or more of these actual or perceived characteristics.

Administrative Procedure 3410 Nondiscrimination

Educational Programs and Other Services

The District shall provide access to its services, classes and programs without regard to national origin, religion, age, sex or gender, gender identification, race or ethnicity, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

- A. All classes, including credit, noncredit and not-for-credit, shall be conducted without regard to the gender of the student enrolled in the classes. As defined in the Penal Code, "gender" means sex, and includes a person's gender identity and gender-related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth.
- B. The District shall not prohibit any student from enrolling in any class or course on the basis of gender.
- C. Academic staff, including but not limited to counselors, instructors and administrators shall not offer program guidance to students which differs on the basis of gender.
- D. Insofar as practicable, the District shall offer opportunities for participation in athletics equally to male and female students.

Title IX

Peralta Community College District recognizes that sexual assault, dating and domestic violence, and stalking are serious issues. Each college and the District seek to ensure that members of the campus community are aware that such behavior is prohibited by law and by Federal, State, and District policies, and that prohibited behaviors have no place in our learning and work environment. Each campus has designated coordinators and resources for information and support. For inquiries and assistance, please visit: <http://web.peralta.edu/health-services/title-ix/>.

College/District Policies

For complete list of Board Policies, go to <http://web.peralta.edu/trustees/board-policies/>

Board Policy 3430 Prohibition of Harassment

The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment as defined in Administrative Procedure 3430, including that which is based on any of the following: race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, gender identification, age, or sexual orientation of any person, military and veteran status or because they are perceived to have one or more of the foregoing characteristics.

The District seeks to foster an environment in which all students, employees and other persons using the services of the District feel free to report incidents of harassment without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation of this policy. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any student, employee or other person using the services of the District who believes that he or she has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3430. Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

To this end the Chancellor shall ensure that the institution undertakes education and training activities to counter discrimination and to prevent, minimize and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Chancellor shall establish procedures that define harassment. The Chancellor shall further establish procedures for employees, students, and other members of the campus community that pro-

vide for the investigation and resolution of complaints regarding harassment and discrimination, and procedures for students to resolve complaints of harassment and discrimination. All participants are protected from retaliatory acts by the District, its employees, students, and agents.

This policy and related written procedures shall be widely published and publicized to administrators, faculty, staff, students, and the public particularly when they are new to the institution. They shall be available for students, employees and others who use the services of the district in all administrative offices.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion.

Privacy Rights of Students

As a student or former student of a Peralta College, you have a right to 1) access and inspect official educational records relating to you as maintained by the District, and 2) amend such records should you believe them to be inaccurate, unsubstantiated, or misleading. (Federal Educational Rights and Privacy Act of 1974, Board Policy 5040, Administrative Procedures 5040, and Administrative Procedures 5045)

Student Conduct Grievance and Due Process Policies

The Peralta Colleges have established regulations and procedures for the imposition of discipline on students in accordance with the requirements for due process of the federal and state law. Board Policy 5500 and Administrative Procedures 5500 clearly define the standards of conduct that is subject to discipline, detail the discipline due process, and identify potential disciplinary actions, including but not limited to the removal, suspension or expulsion of a student.

The College and the District shall ensure that students are accorded due process as stated in the written procedures. The Board Policy and Administrative Procedures are posted online and a copy may be obtained at the Office of the Vice President of Student Services.

The Peralta Community College District contracts police services with the Alameda County Sheriff's Office, to provide security patrol services for Laney College, Merritt College and the College of Alameda. With regard to Berkeley City College, the Sheriff's

Office primary function is compiling statistical information only. **The Berkeley Police Department is responsible for security patrol functions at Berkeley City College. ABC Security Guard Company also provides patrol Monday - Saturdays.**

Mission Statement

The Alameda County Sheriff's Office/Peralta Police Services mission is to preserve the peace, maintain order and enforce state, federal, and local laws. Our goal is to provide a safe environment so that the educational process can be conducted in an orderly and uninterrupted manner. Deputies focus on "partnerships" in addressing problems and/or concerns identified by campus staff and students.

Peralta Police Authority

Deputies assigned to the Peralta Community College District have peace officer authority, pursuant to section 830.1 of the California Penal Code. Each deputy has met all state standards and training requirements, and has the same authority as municipal police officers. Sheriff Technicians also are employed by Police Services, but do not have peace officer authority. Peralta Police works in partnership with and will request assistance from the Oakland Police Department, Alameda Police Department or the Berkeley Police Department for incidents which require resources not readily available at Peralta Colleges.

Peralta Police Services joins the entire Peralta College Community in welcoming you. The goal of our department is to provide the safest possible environment for all campuses, so everyone can enjoy all of its facilities. Although your safety is our major concern, we also monitor fire and intrusion alarms as well as enforce parking regulations. Calls for service are prioritized and response time will vary with the location, nature and urgency of the situation.

Crime Prevention

Crime prevention is the responsibility of all staff and students. Members of the campus community should be aware of their surroundings and of circumstances which seem out of the ordinary. Willingness to look out for each other and to report all suspicious individuals or activities to the campus police will assure that the campus will be a safe, secure place to work and to study.

Personal Safety Tips

Most criminal activity occurs because opportunities exist for crimes to be committed. It's easy to give criminals an opportunity to strike; just be a little careless, forgetful, too trusting, and gullible. However, it's just as easy to remove the temptation by being careful, alert, cautious, and aware. Take away the opportunity and crime can be greatly reduced. You are your own best security.

An awareness of the following crime prevention pointers, together with your own common sense, will help reduce the opportunity for others to commit a crime against you.

- Lock your car, office or residence whenever leaving it.
- Keep your car or building key ready in your hand.
- Avoid unnecessary hazards of poorly lighted or unfamiliar areas.
- Know the locations of telephones and "Blue Phones" on campus.
- When working after hours, notify Police Services of your location. Lock all doors leading to the area you are in.
- Never leave personal items unattended in common areas.

Questions, suggestions and/or concerns regarding Campus Safety and Security may be directed to Police Services at (510) 465-3514. Your fears and concerns will be treated with the utmost importance by Peralta Police Services.

Bike Patrol

The bikes will allow officers to reach locations inaccessible by patrol car and at the same time respond quicker than officers patrolling on foot. Also the bike patrol enhances our relations with the Peralta Community by making us more accessible to the public.

Weapons Policy

The unauthorized use, possession or storage of weapons, fireworks, or explosives is prohibited on any Peralta College premise (including vehicles) or at any Peralta Community College-sponsored activity. Weapons may include, but are not limited to, firearms, pellet guns, bows and arrows, martial arts equipment, switchblade knives, swords, large knives, and clubs.

Parking & Traffic Regulations

All provisions of the California Vehicle Code apply to individuals and to vehicles being driven on and about campus property and parking lots. All vehicle codes, including 21113 C.V.C., are strictly enforced. The speed limit is 5 m.p.h. in campus parking lots and property. Students may only park in designated student parking areas.

Persons must obey all California Vehicle Codes and carefully read and follow the campus parking and traffic signage. Illegally parked vehicles will be cited and/or towed at the owner's expense. For towed vehicles, contact Peralta Police Services at (510) 465-3514. Parking violations are enforced 24 hours a day, seven days a week, including holidays.

College officials do not have the authority to rescind or to arbitrate citation matters.

Students must not park in staff parking areas, red zones, yellow (loading zones), green 30-minute zones or in other unauthorized areas. Disabled student parking areas are available and posted with blue paint and handicapped parking signs.

"Handicap Accessible" signs mean the area is accessible by persons with disabilities; it does not mean it is designated for "Handicapped Parking":

Disabled students must also properly display their daily or semester parking permit (and a Student I.D. Decal if they attend Laney) along with their D.M.V. issued handicap placard and/or handicap license plate.

Staff must properly display their staff parking permit along with their D.M.V. issued disabled placard and/or disabled plate.

Daily parking permits expire at 10:45 p.m. each night and the parking lot gates are locked and secured at 11:00 p.m. each evening. Overnight parking is not authorized and vehicles will be towed at the owner's expense. (Contact Peralta Police Services for towed vehicles at 510-465-3456).

Visitors may park in the green 30 minutes zones at Merritt and College of Alameda if they are staying only 30 minutes or less. Visitors may park lawfully on the street at campuses with street parking, (metered zones require coinage). Special guest permits may be obtained through the business offices, and the Department of General Services in the District Administration Center (DAC).

Semester parking permits may be purchased for the student parking at Laney, Merritt and College of Alameda campuses for \$40.00

(\$20 for motorcycles).

The summer session rate is \$20.00 for cars (\$10 for motorcycles). Rates are subject to change.

You may choose to pay for parking on a daily basis, rather than purchasing a semester permit. The cost of daily parking is \$2.00 per day (exact change only). The daily permits may be purchased from the ticket machines located in the parking lots.

In addition to the daily parking permits, Laney College students must properly display a "STUDENT I.D. DECAL" (hanging from the rear view mirror with the numbered side facing outward), in order to park in a student parking lot or you will be cited.

Student I.D. Decals are issued, initially, at no charge and can be obtained from the Cashier's Office. (There is a \$10.00 replacement cost for lost or stolen Student I.D. Decals).

Unlike Laney, Merritt and College of Alameda, the Berkeley City College campus has no parking lot; therefore, Berkeley City College does not honor parking stickers from other Peralta Colleges. There is no designated public parking lot at Berkeley City College.

Jeanne Clery Disclosure

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act, codified at USC 1092(f) as part of Higher Education Act of 1965, is a federal law that requires all colleges and universities to keep and disclose information timely and annually about certain crime on and near their respective campuses. These crime statistics can be found in the Peralta Community College Personal Safety Handbook, on the Peralta Community College District website: www.peralta.edu, and on the Alameda County Sheriff's Office website: www.alamedacountysheriff.org.

Annual Security Report

The Peralta Community College District (PCCD) Annual Security Report (ASR) is provided in accordance with the Crime Awareness and Campus Safety Act of 1990 and subsequent amendments that led to its being renamed the Jeanne Clery Act in 1998.

The ASR is part of ongoing efforts to inform you of the safety programs and services available and the crimes that are reported to Peralta Sheriff's, local police partners and other campus security personnel. It also contains information about proactive steps you

can take to help maintain a safe and secure campus for everyone. For more information about the latest Peralta Community College District Annual Security Report, please visit: <http://web.peralta.edu/police-services/college-annual-security-reports-ars/>. Blackboard Connect

(Emergency Notification and Early Warning System)

Blackboard Connect, Inc. is a mass notification and Early Warning system used by the Peralta Community College District to notify students and staff of any emergency situations occurring on PCCD campuses or other PCCD properties. Mass e-mails and text messages are sent out describing the incident and how students/staff should proceed. Because emergency situations change rapidly, recipients should not expect regular updates; however, every attempt will be made to disseminate pertinent information, including campus closures.

To receive Blackboard text messages/e-mails, you must provide the Office of Admissions and Records with current cell phone numbers/email addresses upon registering for classes.

You can make a difference in the lives of motivated Peralta students
by supporting the Peralta Colleges Foundation

Throughout the four District colleges, the Peralta Colleges Foundation provides academic scholarships to committed students and financial assistance for faculty development and library initiatives.

Please consider making a donation to help increase the number of scholarships we award to students in need. A gift of any size can make a big difference!

A Peralta Colleges Foundation scholarship can provide a student with:

- apprenticeship uniforms, culinary knives, machine repair tools and other specialty equipment
- supplies to pursue a career in design or the arts
- required course textbooks and classroom materials
- gas or a transit pass to get to school, an internship or a job
- self-confidence and hope for the future

For a student who struggles just to pay tuition and buy textbooks each semester, a Peralta Colleges Foundation scholarship provides the encouragement and resources that a student needs to succeed.
