6. Enter Vaccination Type, Vaccination Date, Comments.

The screenshot shows a web form titled "Vaccination Tracker". At the top left is a "Cancel" button and at the top right is a "Save" button. The form contains three main input fields: "Vaccination type" (a dropdown menu), "Vaccination Date" (a date picker), and "Comment" (a text area). Three blue arrows point to each of these fields from the left. A dropdown menu is open over the "Vaccination Date" field, showing three options: "Booster Shot", "Dose1", and "Dose2". Below the input fields is an "Add Attachment" button.

7. Click on Add Attachment Push button to upload Vaccination Proof.

The screenshot shows a dialog box titled "File Attachment" with a close button (x) in the top right corner. Below the title bar, it says "Choose From". There is one option visible: "My Device", which is represented by an icon of a computer monitor and a smartphone. Below this option is a large, empty dashed rectangular box, likely intended for displaying a preview of the selected file.

8. Once you save the details, you will receive a confirmation email in few minutes
