

Transfer Information

One of the primary missions of a community college is to prepare students for transfer to four-year colleges and universities. If you are planning to transfer to a California public four-year school, you should complete the lower division (freshman/sophomore) major, as well as general education and elective courses for a total of 60 transferable units so that you can transfer with junior (upper division) standing. Although it is not required for transfer, many students earn an Associate Degree in addition to completing transfer requirements.

Berkeley City College (BCC) students may choose to transfer to a California State University, a campus of the University of California, or to a private college or university in California, as well as out-of-state. BCC has developed a number of partnerships with local four-year institutions, including a Cross Enrollment Program with California State University, East Bay, the University of California, Berkeley, and Mills College (see pp. 51). In addition a number of BCC courses are taught on the University of California-Berkeley campus, you have an opportunity to attend community college classes on the campus of one of the world's most renowned educational institutions.

BCC has a variety of resources to assist students with the transfer process. The college's Transfer and Career Information Center houses catalogs for four-year colleges and universities and sponsors visits with their representatives. Counselors are familiar with all transfer requirements. Counselors can assist you in planning a program of study to ensure your smooth, timely, and successful transfer.

Planning to Transfer

If you wish to study at a four year college or university after attending Berkeley City College, you should take note of the following suggestions:

1. See a Berkeley City College Counselor by appointment to develop an appropriate Student Education Plan (SEP) to assist you in planning your transfer and to ensure that you take appropriate transferable courses to meet requirements while at Berkeley City College. If you have completed coursework at another college, you should inform the Counselor when scheduling your appointment and, if possible, bring an unofficial transcript to your appointment.
2. Read the four year college or university catalog and website regarding:
 - a. Transfer admissions requirements;
 - b. Major requirements and degrees offered;
 - c. General education or breadth requirements; and. Application and financial aid deadlines.
3. Review information regarding transferability of courses, including lower-division major requirements and general education requirements, and articulation agreements for the University of California (UC) and the California State University (CSU) systems which are available online at <http://www.ASSIST.org>. Also, some catalogs are available for review in the Berkeley City College Transfer and Career Information Center.
4. Identify the degree credit in lower-division community college courses which are articulated lower-division major courses at the four-year college or university (general education, major, graduation, or elective degree credit).
5. A maximum of 70 lower-division transferable semester (or 105 transferable quarter) units can be applied toward the total number of Bachelor's degree units required in the University of California or California State University systems. Total units transferable to independent and private colleges vary. Subject credit for all transferable courses in excess of 70 semester units will be granted to satisfy university lower-division (i.e., general education, major, and graduation) requirements.
6. Complete all courses designated as required lower-division preparation for the major prior to transfer, especially when admission to the major is contingent upon successful completion of specific courses (i.e., with selective or impacted majors).
7. Plan to complete the lower-division requirements for most transfer majors. The Student Education Plan (SEP) developed with a counselor will assist you in planning your programs and understanding any required prerequisites.
8. Applications for admission to the University of California and the California State University are available online at <http://www.ASSIST.org> (in the left hand navigation bar) or at <http://www.universityofcalifornia.edu/admissions> for the University of California and at <http://www.csumentor.edu> for the California State University. The Transfer and Career Information Center staff can provide assistance in obtaining many catalogs and applications for independent and private institutions.
9. You must assume complete responsibility for compliance with regulations and instructions for selecting the courses that will permit you to meet your educational objectives for transfer and for satisfying prerequisites for any programs or courses.

Transfer to a Four-Year College or University

If you are completing requirements for the Associate Degree and are also planning to transfer to a four-year college or university, the college reminds you that the Associate Degree alone does not usually qualify you for admission. You should meet with a Berkeley City College Counselor regarding admission, general

Transfer Information

education, and major prep requirements to be sure that your Berkeley City College program of study (which may include an Associate Degree for Transfer to CSU) will meet the course, unit, and grade requirements of the college to which you seek admission.

Attend Four-Year Colleges and Universities Before Transfer

The Cross-Enrollment Program (CEP) Current law allows undergraduate students who meet certain eligibility criteria and are enrolled at any California Community College, the California State University, or the University of California to enroll, without formal admission in any of the other systems. BCC also offers a Cross-Enrollment Program with Mills College, a private liberal arts college for women, located in Oakland. In order to participate in Cross Enrollment:

1. You must be enrolled at least six units at Berkeley City College during the current semester that the student seeks to cross-enroll at a four year institution.
2. You must pay the appropriate tuition required by Berkeley City College for the semester in which the student seeks to cross-enroll.
3. You must have the appropriate academic preparation, as determined by the host campus, consistent with the standard applied to currently enrolled students, i.e., completion of pre-requisites. Admission to the course is subject to availability and instructor approval.
4. You may not enroll in a course that is offered at Berkeley City College.

University of California, Berkeley

You may cross-enroll in one undergraduate course per semester at UC Berkeley.

1. You must have completed at least one semester at Berkeley City College as a matriculated student at the time of application with a GPA of 2.0.
2. You cannot cross-enroll in Extension, summer session, graduate level and any other courses not supported by the state.

3. UC Berkeley charges an administration fee, currently \$46 per unit.

California State University, East Bay

You may cross-enroll in up to two undergraduate courses per quarter at CSUEB.

1. You must have completed at least 20 units at BCC with a cumulative GPA of 2.0.
2. California Community College students formerly enrolled at CSUEB, but were academically disqualified, are not eligible to participate in the Cross Enrollment Program.
3. CSUEB will not charge CEP students tuition, nor will they charge an application fee.

Mills College

You may take one undergraduate lower division course each semester for a total of 4 courses at Mills College.

1. You must have completed 12 semester units with a cumulative GPA of 2.0 at the time of application.
2. Student must be enrolled in at least 9 semester units at BCC, 12 units including the Mills College units, and may not drop below 12 units during the semester.
3. An international student must take 12 units at BCC, in addition to any cross enrollment units.
4. There will be no additional tuition or fees charged by the host institution, with the exception of studio or lab fees.

Instructions for registration into Cross Enrollment Program (CEP) courses:

- Complete a CEP application and turn it in to CEP Coordinator. The application is available online and in the Counseling Department on the 2nd floor.
- Once eligibility is verified, the CEP Coordinator will send the student an e-mail confirmation and the enrollment petition form for the specific Host Campus. Complete the Student Information section of your enrollment petition form and sign.

Transfer Information

- Submit the form to the CEP Coordinator for the Home Campus (BCC) Certification and signature
- Seek approval and obtain signature from the instructor at the Host Campus on the first day of class.
- Submit the form to the Host Campus Admissions and Records Office, or its equivalent, for enrollment and the Host Campus Certification by their deadline.
- Submit a copy of the signed enrollment petition form to the CEP Coordinator, at the Home (BCC) Campus.
- The Host Campus will provide any additional registration instructions. Please refer to the Host Campus enrollment petition for information on classes, library access, withdrawing, and reporting of grades.

Special Transfer Admission Opportunities/Programs

Transfer Admissions Guarantee (TAG)

If your goal is to transfer to a four-year university, you might want to consider the Transfer Admissions Guarantee (TAG) program. TAG is available to students who meet specific unit, transfer coursework, and GPA requirements. Students who complete the university's admission application, the TAG application process, and meet the contractual requirements are guaranteed admission. A TAG is generally written one year prior to transfer.

If you are preparing for a Transfer Admissions Guarantee, you begin by working with a BCC Counselor early in your academic preparation and develop a Student Education Plan (SEP). With a Student Education Plan in place, you have the knowledge that each course taken has been agreed upon and that you will lose no credit when you transfer.

Currently, Berkeley City College has Transfer Admission Guarantees with six (6) University of California campuses and Golden Gate University.

- **University of California (TAG)**

- UC Davis
- UC Irvine
- UC Merced
- UC Riverside
- UC Santa Barbara
- UC Santa Cruz

To complete a TAG with a University of California campus, you must have completed 30 transferable units at the time of application (UC Merced requires 27 transferable units). Each campus has specific eligibility criteria, GPA requirements, and guidance on major preparation. If you decide to participate in the TAG program, please meet with a Berkeley City College Counselor by appointment to determine your eligibility.

Additional information about the specific TAG requirements can be found at:

<http://www.universityofcalifornia.edu/admissions/transfer/guarantee>.

To apply for a TAG you are required to complete an online application and submit it during the filing period (September 1-September 30). The application can be found at <https://uctag.universityofcalifornia.edu/>. You also must apply for admission to UC during the appropriate application filing period (August 1-November 30). This application can be found at:

<http://www.universityofcalifornia.edu/apply>

You should meet with a Berkeley City College Counselor by appointment for additional information.

- **Golden Gate University (TAG)**

To complete a TAG with Golden Gate University, you must:

- Have a minimum cumulative GPA of 2.0;
- Complete a minimum of 24 transferable semester units; and
- Meet the English Language Proficiency Requirement, which can be met in a variety of ways.

You should meet with a Berkeley City College Counselor by appointment for additional information.

Note: TAG guidelines are subject to change, so please check with a Berkeley City College Counselor

by appointment to ensure that you have the most current TAG information in effect for the year and term in which you intend to transfer. It is important to remember that in addition to an approved TAG agreement, you also must apply for admission during the appropriate filing period.

Historically Black Colleges and Universities Transfer Agreement Project

In March 2015, the California Community Colleges system office signed agreements with nine Historically Black Colleges and Universities (HBCU). These agreements guarantee admission for any California Community College student who has:

1. An associate degree awarded by a California Community College with a minimum cumulative grade point average (GPA) of 2.5 or higher, that meets any one of the following requirements:
 - a. The degree includes the completion and certification of the lower division Intersegmental General Education Transfer Curriculum (IGETC) for transfer or completion and certification of the lower division California State University General Education Breadth pattern, **or**
 - b. The degree is an Associate of Arts for Transfer (AA-T) or an Associate in Science for Transfer (AS-T) [degrees that were created to provide a clear pathway to a CSU major and baccalaureate degree].
2. A minimum of 30 transferable semester units with a minimum cumulative grade point average (GPA) of 2.5 or higher.
The partnered HBCUs as of March 2015 include:
 - Bennett College, North Carolina
 - Dillard University, Louisiana
 - Fisk University, Tennessee
 - Lincoln University, Missouri
 - Philander Smith College, Arkansas

- Stillman College, Alabama
- Talladega College, Alabama
- Tuskegee University, Alabama
- Wiley College, Texas

Other benefits include, priority housing consideration, possible scholarships, junior standing with associate degree, focused counseling, and more.

Articulation Agreements

Articulation is the process that facilitates the successful transfer of students from community colleges to undergraduate baccalaureate programs at other colleges and universities. It is the development of formal written agreements that explain how courses transfer from one institution to another, either “as comparable to” or “acceptable in lieu of specific course requirements” at four-year institutions. Successful completion of articulated courses related to admission criteria, general education, and major preparation, according to a Student Education Plan (SEP) developed with the assistance of a Counselor will ensure successful and competitive transfer.

The Berkeley City College Articulation Officer and Counselors have information regarding the updated articulation agreements between Berkeley City College and the California State University campuses, the University of California campuses, and some private colleges. Articulation agreements with the CSU and UC campuses are available at <http://www.ASSIST.org>.

By working closely with your Counselor, you will be able to complete the first two years (minimum of 60 semester units) of a four-year college degree at Berkeley City College and then transfer as a junior (an upper division student).

ASSIST

ASSIST (Articulation System Stimulating Interinstitutional Student Transfer) is California’s official statewide repository of transfer information, offering easy access to a single articulation database.

At the ASSIST website, students planning to transfer from a community college to a University of California (UC) or a California State University (CSU) campus have access to the following types of articulation agreements:

- Transferable course lists;
- General education agreements (IGETC, CSU/GE Breadth, and campus specific);
- Major preparation; and
- Department (course-to-course) agreements.

ASSIST will help you in determining if you will receive credit for courses you have already taken, or plan to take, and how those courses apply to a specific academic major or general education requirement. You can access ASSIST at <http://www.ASSIST.org>.

General Education Transfer Requirements

You have the option of fulfilling General Education/Breadth requirements in one of the following ways:

- **IGETC**—primarily used when applying to multiple UCs and CSUs (not advisable for high unit majors);
- **CSU GE/Breadth**—used when applying to CSUs only; and
- **UC Campus Specific Requirements**—an option used depending on the choice of major and college.

A listing of approved courses in these three general education requirement options is available from a Counselor or at <http://www.ASSIST.org>. The approved courses are subject to change on an annual basis. See the 2017-2018 IGETC, CSU GE/Breadth, and UC Berkeley College of Letters and Sciences Breadth course lists on pages 61-68.

Certification of General Education

Berkeley City College (Peralta Community College District) can certify officially the completion of the following general education patterns:

Intersegmental General Education Transfer Curriculum (IGETC)

Berkeley City College (the Peralta Community College District) can certify either full certification (completing all requirements in each subject area) or partial certification (maximum of two courses missing and completed after transfer) of IGETC or IGETC for STEM. You should file the certification request at the Office of Admissions and Records during the final term before transfer, once an offer of admission has been accepted.

CSU GE/ General Education Breadth

California State University General Education Breadth (CSU GE/Breadth) allows full certification (completion of all requirements) **or** partial certification (completion by area). (See the CSU/GE Breadth course list.) You should file the certification request with a Counselor during the final term before transfer, once an offer of admission has been accepted.

Official transcripts of any coursework completed outside the Peralta Community College District must be on file prior to or accompany the request. The “Request for Certification” form is available from and can be filed in the Office of Admissions and Records. Once certification is completed, student records (transcript) will reflect the type of certification. If you transfer without certification, you will be subject to the campus specific general education requirements of the university or college to which you transfer.

The University of California

The University of California includes nine general campuses throughout the state -- Berkeley, Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, Santa Barbara, and Santa Cruz. A tenth campus in San Francisco offers graduate and professional programs in the health sciences.

The University of California admissions requirements for transfer vary according to the student’s eligibility to enroll at UC when you graduated from high school. In addition, if you wish to enroll in an oversubscribed upper-division major, you must meet additional admissions requirements.

General Transfer Requirements

You should place the highest priority on achieving minimum transfer eligibility and completing preparation courses for your choice of major. Major preparation gives you the best opportunity to begin upper-level courses after transfer. Some campuses require completion of certain major preparation requirements before transfer. Lack of such major preparation may affect eligibility for the major, particularly if there are many applicants and a limited number of spaces. The general education or breadth requirements are designed to give University undergraduates a broad background in all major academic disciplines – natural sciences, physical sciences, social sciences, humanities, and fine arts.

It is important to develop a Student Education Plan (SEP) that first gives attention to minimum admission eligibility and completion of major preparation, and then incorporates the most appropriate General Education (GE) pattern. Typically, completion of GE is not required for admission; it is required for graduation from UC. There are two options for completing GE. If you are pursuing a major with few required major preparation courses, you should consider completing the Intersegmental General Education Transfer Curriculum (IGETC). If you are pursuing a major with a large number of preparatory courses, you should consider the UC campus specific GE pattern. Each school and college at every UC campus has its own set of GE requirements. *You should consult with a Counselor for assistance in developing a Student Education Plan (SEP) that plans for major preparation and the most appropriate General Education pattern option.*

There are three parts to preparing for transfer to the University of California (UC):

- **Minimum Transfer Admissions Eligibility:** courses and grades that prepare you to be minimally eligible for UC transfer;
- **Major Preparation:** courses that prepare you to complete a major after transferring; **and**
- **General Education (GE):** Courses that satisfy the GE requirements for graduation from UC.

Minimum Transfer Admissions Eligibility

Students eligible to enter UC after high school graduation, (Subject, Scholarship, and Examination

requirements for freshman status were met), or students who were identified by UC in the senior year as eligible under the Eligibility in the Local Context (ELC) Program are minimally eligible to transfer with a “C” (2.00) average in transferable coursework. Students who met the Scholarship Requirement, but did not satisfy the Subject Requirement for UC eligibility as a freshman must take transferable college courses in the missing subjects, earning a “C” or better in each course, and have an overall “C” (2.00) average in all transferable coursework to be minimally eligible to transfer. Students who were not eligible for admission to UC after high school graduation because the Scholarship Requirement was not met must meet minimum eligibility requirements as follows:

1. Complete 60 semester units of UC transferable college credit with a grade point average of at least 2.4, **and**
2. Complete a course pattern requirement to include:
 - a. Two transferable college courses (3 semester units each) in English composition; **and**
 - b. One transferable college course (3 semester units) in Mathematical Concepts and Quantitative Reasoning; **and**
 - c. Four transferable college courses (3 semester units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, the physical and biological sciences.

Other Baccalaureate Degree Requirements

1. Entry Level Writing Requirement (formerly Subject A)

An English composition requirement that each student must satisfy to graduate may be met by one of the following methods:

- Score of at least 3 on the College Board Advanced Placement Examination in English.
- Score of at least 680 on Writing Section of the SAT Reasoning Test.

- Score of at least 5 on the International Baccalaureate Higher Level Examination in English Literature (formerly IB HL English 1A).
- Score of 6 or higher on the International Baccalaureate Standard Level Examination in English (Language A)
- Completion of a UC transferable community college course of 3 units in English composition with a “C” grade or better.

2. American History and Institutions

This requirement may be met by one of the following methods:

- Satisfactory completion in high school of a one-year course in U.S. History or a half-year course in both American Government and U.S. History with a grade of “C” or better (except UCLA which requires a “B” average and Santa Barbara requires a college-level course).
- Completion of UC transferable college history/government course(s).

Additional information can be found at:

<http://www.universityofcalifornia.edu/admissions>.

High School Proficiency Examination

If you do not have a high school diploma, the University of California will accept the Certificate of Proficiency awarded by the State Board of Education upon successful completion of the High School Proficiency Examination. The University of California also will accept proficiency examinations from other states and the General Education Development (GED) Certificate in place of a diploma. However, you must still meet the Subject, Scholarship, and Examination Requirements.

Requirements for Non-Residents

The minimum admissions requirements for non-resident transfer applicants are the same as those for residents except that non-residents must have a grade-point average of 2.8 or higher in all transferable college coursework.

University of California Transfer Pathways

UC Transfer Pathways provide students with roadmaps to 21 of the most popular majors at any UC campus. These pathways will be especially helpful to students who know (or have a general idea) of a major they would like to study, but have not decided which UC campuses they would like to apply to.

Each pathway outlines the set of courses students should take to be competitive in one of 21 of the most popular majors found at every UC campus. Some campuses may want fewer courses for admission, but none will expect more. In addition, campuses may have grade requirements for particular courses, but with this roadmap, students will know which classes to take to prepare for all campuses in a single major.

The 21 majors are as follows:

Anthropology, Biochemistry, Biology, Business Administration, Cell Biology, Chemistry, Communication, Computer Science, Economics, Electrical Engineering, English, Film and Media Studies, History, Mathematics, Mechanical Engineering, Molecular Biology, Philosophy, Physics, Political Science, Psychology, and Sociology.

University of California—Berkeley Campus

The Berkeley campus of the University of California is on the semester system. If you are applying to the College of Letters and Sciences, you may fulfill your

Transfer Information

lower-division general education requirements by completing IGETC or by completing the College of Letters and Sciences Breadth Requirements.

Transfer students with 60 or more transferable semester units who are admitted to the College of Letters and Science must have satisfied the Essential Skills in:

1. reading and composition,
2. foreign language, and
3. quantitative reasoning prior to admission.

The Breadth Requirement for courses outside the field of the major is required for all community college transfers. You should make every effort to complete as many of the seven-course requirements as possible. UC Berkeley College of Letters and Science Breadth Requirements for 2017-2018 are listed on pages 65, and are available from a Counselor, or at:

<http://www.ASSIST.org>.

This list is subject to revision and is updated annually.

The California State University

The following information applies to the 23 campuses of the California State University System: Bakersfield, Channel Islands, Chico, Dominguez Hills, Fresno, Fullerton, Hayward, Humboldt, Long Beach, Los Angeles, Maritime Academy, Monterey Bay, Northridge, Pomona, Sacramento, San Bernardino, San Diego, San Francisco, San Jose, San Luis Obispo, San Marcos, Sonoma, and Stanislaus.

Transfer Requirements

You will qualify for admission as a transfer student if you have a grade-point average of 2.0 ("C") or better in all transferable units completed; are in good standing at the last college or university attended; and meet any of the following standards:

1. You were eligible as a freshman at the time of application for admission or at the time of graduation from high school, provided you have been in continuous attendance at a college since graduation; **or**
2. You were eligible as a freshman except for the college preparatory subject requirements and have completed appropriate college courses in the missing subjects; **or**

3. You have completed at least 60 transferable semester units and have completed appropriate college courses to make up missing college preparatory subjects (non-residents must have a 2.4 grade-point average or better).

A maximum of 70 transferable semester (105 quarter) units earned in a community college may be transferred to the California State University. No upper division credit is allowed for courses taken at a community college.

Consult with a Berkeley City College Counselor or any CSU Admissions Office for further information about alternative ways to satisfy the subject requirements. Berkeley City College Counselors will provide assistance in determining which BCC courses satisfy lower-division General Education requirements.

Making up Missing College Preparatory Subject Requirements

1. Undergraduate transfer applicants who did not complete the subject requirements while in high school may make up missing subjects in any of the following ways:
 - a. Complete appropriate courses in college with a "C" or better (one course of 3 semester [4 quarter] units will be considered equivalent to one year of high school study); **or**
 - b. Earn acceptable scores on specified examinations.
2. Transfer applicants with 56 or more semester units (84 or more quarter units) can satisfy the preparatory subject requirements by completing, with a "C" or better, one of the following alternatives:
 - a. 1987 or earlier high school graduates: Meeting the eligibility requirements listed for lower division transfer, or successful completion of written communication and mathematics courses on the approved CSU list of transferable general education courses.
 - b. 1998 and later high school graduates: Meeting the eligibility requirements listed

Transfer Information

for lower division transfer or successful completion of 30 semester (45 quarter units) of General Education courses to include all of Area A and the Mathematics requirement on the CSU General Education Certification list.

Minimum eligibility for upper division transfer applicants:

1. Completion of at least 60 transferable units with a minimum grade-point average of 2.0;
2. Within the total units completed, you must complete a minimum of 30 lower division units of General Education/Breadth; and
3. Completion of areas A1, A2, A3, and B4 with a grade of “C” or better.

United States History, Constitution and American Ideals Certification

To complete the CSU graduation requirement before transfer, you must complete one course from both Section 1 and 2 listed below to be certified that the requirement in U.S. History, Constitution and American Ideals has been met.

1. United States History: History 7A or 7B
2. United States Constitution, California State and Local Government: Political Science 1 or 6

Associate Degrees for Transfer to a California State University

California Community Colleges are now offering Associate Degrees for Transfer (ADT) to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing in the CSU system. It does not guarantee admission to specific majors or campuses.

Students who have been awarded an ADT (AA-T or AS-T) are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of Berkeley City College’s ADTs and to find out which CSU campuses accept each degree, please go to <http://www.adegreewithaguarantee.com> or page 59. Current and prospective community college students are encouraged to meet with a Counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

AA-T and AS-T Requirements

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major. All courses in the major must be completed with a grade of C or better or a “P” if the course is taken on a “Pass-No Pass” basis (title 5 SS 55063).
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth); **or** the California State University Intersegmental General Education Transfer Curriculum (IGETC) pattern.

Students are encouraged to complete the CSU graduation requirement in United States History, Constitution and American Ideals Requirement in their educational planning and prior to transfer. Students should meet early with a counselor to complete a Student Education Plan (SEP).

Berkeley City College currently offers the following Associate Degrees for Transfer (ADTs). For more information, please see a Counselor for details.

Berkeley City College ADTs are:

- Anthropology, AA-T
- Art History, AA-T
- Studio Art, AA-T
- Biology, AS-T
- Business Administration, AS-T

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system that is different from the course numbers assigned by individual California Community Colleges. A

C-ID Designator next to a course means that the course is comparable in content and scope to a similar course offered by participating California colleges and universities. Thus, if a catalog lists a C-ID Designator for a course, students can be assured that the course will be accepted at another California Community College that offers a course with the same C-ID Designator.

The California State University 2017-2018 General Education Breadth Requirements

(Updated Annually)

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit you to transfer from a community college to a campus in either the California State University or the University of California systems without the need, after transfer, to take additional lower-division general education courses to satisfy campus lower-division general education requirements.

- You must complete all courses with grades of “C” or better.
- You must request IGETC certification from the Office of Admissions and Records, prior to transfer.
- IGETC is not advisable for all transfer students, especially if you are pursuing a major requiring extensive lower-division preparation. Please see a BCC counselor.

^ = Indicates that transfer credit may be limited by either UC or CSU, or both.

College of Letters and Sciences: Breadth Requirements

(Updated Annually)

The following are primarily the breadth requirements for the College of Letters and Sciences only. Applicants to majors offered by the College of Chemistry, the College of Engineering, the College of Environmental Design, the College of Natural Resources, and Haas School of Business should check the individual transfer agreements for exceptions and breadth requirement guidelines.

Requirements for the College of Letters and Science are divided into two areas:

Essential Skills

1. Reading and Composition (R&C);
Quantitative Reasoning (QR); and
Foreign Language (FL); and
2. Breadth
The Seven-Course Breadth Requirement.

Please know that completion of IGETC (certified by Admissions and Records) satisfies all of these requirements.

UC Berkeley College of Letters & Science Breadth Requirements for 2017-2018 are listed below. This list is subject to change; it is updated periodically. Consult a counselor for further information.

Essential Skills

1: READING COMPREHENSION (2 courses)

Students may also satisfy this requirement with a score or grade of:
