

# The California State University 2017-2018 General Education Breadth Requirements

(Updated Annually)

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit you to transfer from a community college to a campus in either the California State University or the University of California systems without the need, after transfer, to take additional lower-division general education courses to satisfy campus lower-division general education requirements.

- You must complete all courses with grades of “C” or better.
- You must request IGETC certification from the Office of Admissions and Records, prior to transfer.
- IGETC is not advisable for all transfer students, especially if you are pursuing a major requiring extensive lower-division preparation. Please see a BCC counselor.
