**Lazy Louisiana Siesta:** All classified employees will be permitted to extend their lunch break by 30 additional minutes to reflect on the past year at BCC. To ensure that the College does not advocate misuse of public funding, classified employees will be required to return the attached survey to the suggestion box, which will be placed at the front security gate all day Thursday 4/23 and Friday 4/24. This survey will ask you to provide confidential, anonymous feedback on this year's Classified Appreciation events; offer suggestions on next year's Classified Appreciation events; and make suggestions on how BCC's administrative team can improve the College to better support our dynamic classified team. Please make sure that you return your survey to the front security desk AND sign next to your name to obtain credit for returning the form. You do not need to put your name on the survey itself, so your responses will remain anonymous.
