

# Patient Safety Volunteer Program

## DESCRIPTION

San Francisco Veterans Administration Patient Safety office is inviting applications for healthcare preprofessional program. Students intending to apply to nursing, medical school, dentistry or pharmacy are welcome to apply. Students will have an opportunity to engage in infection prevention strategies, falls prevention program, learn about patient safety programs and high reliability programs at SFVA. Program consist of 4 hours a week of volunteer services and once a month organized preprofessional mentorship events where students will learn how to strengthen their applications to the school of their choice, meet professionals from their chosen area, receive lectures and recognitions of their contributions to patients' safety at SFVA. Students who complete 6 month program with outstanding performance will receive letter of recommendation.
